

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Carlo M. Rossi, Jr.
DOCKET NO.: 22-03513.001-R-1
PARCEL NO.: 09-07-210-014

The parties of record before the Property Tax Appeal Board are Carlo M. Rossi, Jr., the appellant, by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the DuPage County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **DuPage** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$64,400
IMPR.: \$282,780
TOTAL: \$347,180

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the DuPage County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,587 square feet of living area. The dwelling was constructed in 2014 and is approximately 8 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a garage containing 492 square feet of building area.¹ The property has a 7,630 square foot site and is located in Downers Grove, Downers Grove Township, DuPage County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .7 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 3,252 to 3,613 square feet of living

area. The homes are 2 to 12 years old. Each dwelling has central air conditioning, a fireplace, a basement, and a garage ranging in size from 483 to 512 square feet of building area. The parcels contain either 6,600 or 7,088 square feet of land area. The comparables sold from March to October 2020 for prices ranging from \$741,000 to \$1,025,000 or from \$227.86 to \$283.70 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$312,135, for an estimated market value of \$936,499 or \$261.08 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$347,180. The subject's assessment reflects a market value of \$1,041,644 or \$290.39 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.²

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within .51 of a mile of the subject and within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 3,381 to 3,741 square feet of living area. The dwellings were built from 2015 to 2021. Each dwelling has central air conditioning, a fireplace, a basement with finished area, and an attached garage ranging in size from 338 to 496 square feet of building area. Comparable #2 has an additional 440 square foot detached garage. The parcels range in size from 6,600 to 11,805 square feet of land area. The comparables sold in March or July 2021 for either \$1,050,000 or \$1,224,048 or from \$297.20 to \$327.20 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables, which sold less proximate to the January 1, 2022 assessment date at issue than other comparables in the record.

The Board finds the best evidence of market value to be the comparable sales submitted by the board of review, which sold proximate to the assessment date at issue and are similar to the

² Procedural rule Sec. 1910.50(c)(1) provides that in all counties other than Cook, the three-year county wide assessment level as certified by the Department of Revenue will be considered. 86 Ill. Admin. Code §1910.50(c)(1). Prior to the drafting of this decision, the Department of Revenue has yet to publish figures for tax year 2022.

subject in age, location, dwelling size, and features. These most similar comparables sold in March and July 2021 for either \$1,050,000 or \$1,224,048 or from \$297.20 to \$327.20 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,041,644 or \$290.39 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
