

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jacob Surratt
DOCKET NO.: 22-04120.001-R-1
PARCEL NO.: 07-01.0-108-008

The parties of record before the Property Tax Appeal Board are Jacob Surratt, the appellant; and the St. Clair County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **St. Clair** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,277
IMPR.: \$55,264
TOTAL: \$62,541

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a final administrative decision of the Property Tax Appeal Board pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,356 square feet of living area.¹ The dwelling was constructed in 1921. Features of the home include a basement, central air conditioning, a fireplace, and a 525 square foot garage. The property has a 19,755 square foot site and is located in Belleville, Belleville Township, St. Clair County.

The appellant asserts a contention of law as the basis of the appeal. As part of the appeal, the appellant disclosed the subject is an owner-occupied residence that was the subject matter of an appeal before the Board for the 2020 tax year in Docket No. 20-07461, in which the Board issued a decision lowering the subject's assessment to \$55,369 based on the evidence submitted by the parties. The Board takes judicial notice that the subject was also the subject matter of an appeal before the Board for the 2021 tax year in Docket No. 21-07982, in which the Board

¹ The parties differ regarding the subject's dwelling size. The Board finds the best evidence of dwelling size is found in the subject's property record card, which contains a sketch with measurements of the home.

issued a decision lowering the subject's assessment to \$57,817 based on the agreement of the parties. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$55,369.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total equalized assessment for the subject of \$63,367. The board of review disclosed 2020 was the first year of the general assessment cycle and an equalization factor of 1.0817 was applied to non-farm properties in Belleville Township for 2022. The board of review contended that the subject's assessment for the 2020 tax year pursuant to the Board's decision was carried over to the 2022 tax year, adding the equalization factors for 2021 and 2022. Based on this evidence, the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant raised a contention of law asserting that the assessment of the subject property as established by the Property Tax Appeal Board for the 2017 tax year should be carried forward to the 2018 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). When a contention of law is raised the burden of proof is a preponderance of the evidence. (See 5 ILCS 100/10-15).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185) a reduction in the subject's assessment is warranted. In pertinent part, section 16-185 of the Property Tax Code provides:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Board finds that the subject property was the subject matter of appeals before the Board for the 2020 and 2021 tax years under Docket Nos. 20-07461 and 21-07982 in which decisions were issued reducing the subject's assessment to \$55,369 and \$57,817, respectively. The record further disclosed the subject property is an owner-occupied dwelling. The Board also finds that the 2020 to 2022 tax years are within the same general assessment period and an equalization factor of 1.0817 was applied in Belleville Township in 2022. Furthermore, the decisions of the Board for the 2020 and 2021 tax years have not been reversed or modified upon review and there was no evidence the subject property recently sold establishing a different fair cash value. Applying section 16-185 of the Property Tax Code would result in a reduced total assessment of \$62,541 ($\$57,817 \times 1.0817$), which is less than the 2022 assessment of the subject property of \$63,367.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
