

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Guercio
DOCKET NO.: 22-20064.001-R-1
PARCEL NO.: 12-01-102-019-0000

The parties of record before the Property Tax Appeal Board are Robert Guercio, the appellant, by Robert Rosenfeld, attorney-at-law of Robert H. Rosenfeld & Associates, LLC in Northbrook, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,304
IMPR.: \$39,168
TOTAL: \$49,472

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a two-story dwelling of frame and masonry exterior construction that contains 2,304 square feet of living area. The dwelling is approximately 95 years old. Features of the property include a full unfinished basement, central air conditioning, two bathrooms, and a 2-car garage. The property has a 7,360 square foot site located in Park Ridge, Norwood Park Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables composed of class 2-06 properties improved with dwellings of two-or-more-story that range in size from 2,234 to 2,579 square feet of living area. The homes range in age from 70 to 92 years old. Each comparable has a full basement, central air conditioning, and a 2-car

garage. The comparables have 1½, 2 or 2½ bathrooms. Three comparables have one fireplace each. These properties have the same neighborhood code as the subject and are located from .4 to .9 of a mile from the subject property. The comparables have improvement assessments ranging from \$35,392 to \$41,690 or from \$15.29 to \$17.77 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$38,016.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,000. The subject property has an improvement assessment of \$41,696 or \$18.10 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables consisting of class 2-06 properties that are improved with two-story dwellings of masonry or frame and masonry exterior construction that range in size from 2,432 to 2,631 square feet of living area and in age from 68 to 77 years old. Each property has a full or partial unfinished basement, central air conditioning, and 2, 2½ or 3½ bathrooms. Two comparables have one fireplace and three comparables have a 2-car or 2.5-car garage. These properties have the same assessment neighborhood code as the subject. The comparables have improvement assessments ranging from \$44,087 to \$48,796 or from \$18.13 to \$18.65 per square foot of living area. The board of review contends the comparables are close to the subject in size and distance and are supportive of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted information on eight equity comparables with the same classification code and neighborhood code as the subject property to support their respective positions. The Board finds the best evidence of assessment equity to be appellant's comparables #1, #3 and #4, that are most similar to the subject in age as well as being similar to the subject in size and features. These three comparables range in size from 2,234 to 2,454 square feet of living area and are 91 or 92 years old. The three comparables have improvement assessments that range from \$35,392 to \$41,170 or from \$15.29 to \$17.77 per square foot of living area. The subject's improvement assessment of \$41,696 or \$18.10 per square foot of living area falls above the range established by the best comparables in this record. The Board gives less weight to appellant's comparable #2 and the board of review comparables due to differences from the subject in age being from approximately 18 to 27 years newer than the subject dwelling. Based on this record the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
