

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Tehensky
DOCKET NO.: 22-20119.001-R-1
PARCEL NO.: 12-02-202-032-0000

The parties of record before the Property Tax Appeal Board are Mike Tehensky, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,750
IMPR.: \$24,000
TOTAL: \$32,750

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of masonry exterior construction with 1,161 square feet of living area. The dwelling is approximately 69 years old. Features of the home include a basement with finished area,¹ central air conditioning, and a 1.5-car garage. The property has a 6,250 square foot site and is located in Park Ridge, Norwood Park Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located within the same assessment neighborhood code as the subject. The

¹ The parties differ regarding basement finish. The Board finds the best evidence of basement finish is found in the board of review's evidence which was not refuted by the appellant.

comparables are improved with 1-story homes ranging in size from 1,155 to 1,394 square feet of living area and ranging in age from 66 to 69 years old. Each home has a basement and from a 1-car to a 2-car garage. Two homes have central air conditioning. The comparables have improvement assessments ranging from \$18,200 to \$23,690 or from \$13.47 to \$16.99 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$18,436.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$49,000. The subject property has an improvement assessment of \$40,250 or \$34.67 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in Harwood Heights or Norridge, none of which are within the same assessment neighborhood code as the subject. The comparables are improved with 1-story or 2-story, class 2-02 or 2-05 homes ranging in size from 559 to 711 square feet of living area and ranging in age from 73 to 96 years old. The comparables have varying degrees of similarity to the subject in features and have improvement assessments of \$20,086 and \$20,281 or from \$35.28 to \$36.28 per square foot of living area. The board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains a total of seven equity comparables for the Board's consideration. The Board gives less weight to the board of review's comparables, due to substantial differences from the subject in design, dwelling size, age, and/or location.

The Board finds the best evidence of assessment equity to be the appellant's comparables, which are more similar to the subject in design, dwelling size, age, location, and some features, although these comparables lack finished basement area and two comparables lack central air conditioning that are features of the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These comparables have improvement assessments ranging from \$18,200 to \$23,690 or from \$13.47 to \$16.99 per square foot of living area. The subject's improvement assessment of \$40,250 or \$34.67 per square foot of living area falls above the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, such as finished basement area and central air conditioning amenity, the Board finds the subject's assessment is excessive. Based on this record, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
