

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Gigerich
DOCKET NO.: 22-20789.001-R-1
PARCEL NO.: 01-05-200-011-0000

The parties of record before the Property Tax Appeal Board are John Gigerich, the appellant, by attorney Jeremy Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$25,482
IMPR.: \$99,274
TOTAL: \$124,756

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two 1-story dwellings of frame exterior construction. Dwelling #1 has 4,698 square feet of living area and dwelling #2 has 592 square feet of living area for a combined total gross building area of 5,290 square feet. Dwelling #1 is approximately 85 years old and features a concrete slab foundation, central air conditioning, three fireplaces and a 3-car garage. Dwelling #1 has a concrete slab foundation and one fireplace. The property has an approximately 254,826 square foot site and is located in Barrington Hills, Barrington Township, Cook County. The subject is classified as a class 2-02 and 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code and from 1.0 to 2.5 miles from

the subject property. The comparables are improved with 1-story class 2-04 dwellings of frame or frame and masonry exterior construction ranging in size from 4,309 to 5,973 square feet of living area. The homes range in age from 54 to 77 years old. Each comparable has a basement, central air conditioning, one or two fireplaces and from a 2-car to a 3-car garage. The comparables have improvement assessments ranging from \$63,220 to \$80,220 or from \$13.43 to \$15.53 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$66,712 or \$12.61 per square foot of living area when using the subject's gross building area of 5,290 square feet.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$124,756. The subject property has an improvement assessment of \$99,274 or \$18.77 per square foot of living area. The board of review submitted an aerial photograph of the subject property depicting two structures along with computer printouts disclosing dwelling #2 has an improvement assessment of \$11,920.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in Barrington Hills, Barrington or South Barrington. The comparables are improved with 1-story class 2-04 dwellings of masonry or frame and masonry exterior construction ranging in size from 2,459 to 4,611 square feet of living area. The homes range in age from 24 to 59 years old. Each comparable has a basement, central air conditioning, one to three fireplaces and from a 2-car to a 3.5-car garage. Comparable #1 has "other improvements" which were not further described. The comparables have improvement assessments ranging from \$52,640 to \$108,500 or from \$19.82 to \$23.53 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board finds none of the parties' comparables has two improvements like the subject and differ from the subject in location, age, dwelling size and/or basement amenity. Nevertheless, the comparables have improvement assessments ranging from \$52,640 to \$108,500 or from \$13.43 to \$23.53 per square foot of living area. The subject's improvement assessment of \$99,274 or \$18.77 per square foot of living area falls within the range established by the comparables in this record. After considering adjustments to the comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
