

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: MALGORZATA GAWELCZYK
DOCKET NO.: 22-21854.001-R-1
PARCEL NO.: 27-07-110-019-0000

The parties of record before the Property Tax Appeal Board are MALGORZATA GAWELCZYK, the appellant, by John W. Zapala, of the Law Offices of John Zapala, P.C. in Chicago, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,404
IMPR.: \$20,254
TOTAL: \$26,658

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,329 square feet of living area. The dwelling is approximately 34 years old. Features include a partial basement with finished area, a fireplace and a two-car garage. The property has an 11,645 square foot site and is located in Orland Park, Orland Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on nine equity comparables along with printed property characteristics sheets for the subject and comparables. The comparable properties are located in Orland Park, in the same neighborhood code as the subject and within .53 of a mile from the subject. The comparables consist of class 2-34 dwellings of masonry or frame and

masonry exterior construction which are 33 to 37 years old. The comparables range in size from 1,424 to 1,661 square feet of living area. Each dwelling has a partial basement. Six of the comparables each have central air conditioning and three comparables each have a fireplace. Each dwelling has either a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$18,868 to \$22,556 or from \$12.33 to \$13.59 per square foot of living area.

Based on the foregoing evidence, the appellant requested a reduced improvement assessment of \$16,388 or \$12.33 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,658. The subject property has an improvement assessment of \$20,254 or \$15.24 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in Orland Park, in the same neighborhood code as the subject, and on the same block as the subject. The comparables consist of class 2-34 multi-level dwellings of frame and masonry exterior construction which are 34 years old. The comparables contain either 1,504 or 1,542 square feet of living area. Each dwelling has a partial basement with finished area and a two-car garage. Three of the comparables each have a fireplace. The comparables have improvement assessments ranging from \$23,165 to \$27,258 or from \$15.40 to \$17.68 per square foot of living area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of thirteen equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to appellant's comparables #1, #2, #3 and #5 through #9 along with board of review comparable #2, each of which are less similar to the subject in dwelling size than the other comparables in the record.

The Board finds the best evidence of assessment equity to be appellant's comparable #4 along with board of review comparables #1, #3 and #4 which are similar to the subject in location, design, age, and other features along with being most similar to the subject in living area square footage. These comparables have improvement assessments ranging from \$18,868 to \$23,382 or from \$13.25 to \$15.55 per square foot of living area. The subject's improvement assessment of \$20,254 or \$15.24 per square foot of living area falls within the range established by the best

most similar comparables in this record. Based on this record and after considering appropriate adjustments to the best comparables for differences from the subject in dwelling size and/or other amenities, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
