

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Koenig
DOCKET NO.: 22-21926.001-R-1
PARCEL NO.: 01-28-203-005-0000

The parties of record before the Property Tax Appeal Board are James Koenig, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,192
IMPR.: \$56,241
TOTAL: \$72,433

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,128 square feet of living area and is approximately 15 years old. Features include a full basement,¹ 2.5 bathrooms, central air conditioning, one fireplace, and a 3-car garage. The property has a 23,132 square foot site and is located in South Barrington, Barrington Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables with the same assessment neighborhood code as the subject property. The appellant did not disclose the proximity of the comparables to the subject. Evidence also includes property

¹ The parties disagree as to the subject's basement with the appellant reporting a full basement with finished area and the board of review reporting the subject's full basement to be unfinished.

characteristics printouts from the Cook County Assessor's Office which were analyzed to verify/update data in the Section V grid analysis. The comparables are improved with 2-story, class 2-78 dwellings of frame, stucco, or frame and masonry exterior construction ranging in size from 3,018 to 3,342 square feet of living area. The homes range in age from 36 to 51 years old. Each comparable has a full basement with two of these have finished area, 2.5 or 3.5 bathrooms, one or two fireplaces, and from a 2-car to a 3.5-car garage. Four comparables each have central air conditioning. The comparables have improvement assessments ranging from \$25,500 to \$38,000 or from \$8.45 to \$12.19 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$72,433. The subject property has an improvement assessment of \$56,241 or \$17.98 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with 2-story, class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,767 to 3,340 square feet of living area. The homes range in age from 13 to 16 years old. Each comparable has a full basement with one of these having finished area, two or three full bathrooms, one half bathroom, central air conditioning, one fireplace, and a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$54,722 to \$63,857 or from \$19.12 to \$20.39 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables as well as board of review comparable #3 which are less similar to the subject in age and/or dwelling size than other comparables in this record.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #2, and #4 which are similar to the subject in location, design/class, age, dwelling size, and other features. These comparables have improvement assessments ranging from \$63,223 to \$63,857 or from \$19.12 to \$20.39 per square foot of living area. The subject's improvement assessment of \$56,241 or \$17.98 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the best comparables required for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
