

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Derrek Hummel
DOCKET NO.: 22-22015.001-R-1
PARCEL NO.: 01-01-203-024-0000

The parties of record before the Property Tax Appeal Board are Derrek Hummel, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$800
IMPR.: \$0
TOTAL: \$800

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 7,009 square foot vacant lot in Barrington, Schaumburg Township. The subject is classified as 2-41 under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of its market value argument, the appellant completed Section IV – Recent Sale Data in its Residential Appeal Form indicating the subject property was purchased on April 24, 2021, for \$8,000 or \$1.14 per square foot. The appellant indicates that the sale did not occur between family members, was sold through a realtor and was listed on the multiple listing service (MLS) for a period of 190 days. The appellant submitted a copy of the settlement statement showing a commission paid to the listing realtor and fees paid to the buyer's attorney. The petition disclosed that the subject was not an owner-occupied residence.

The board of review submitted its “Board of Review Notes on Appeal” stating the total valuation assessment for the subject property as \$6,828. The valuation assessment reflects a market value of \$68,280, or \$9.74 per square foot, when applying the 10% Cook County Real Estate Classification Ordinance assessment for class two properties.

In support of its contention of the correct assessment, the board of review submitted three comparables. The board of review describes comparable #3 as ten vacant lots with one sale date, one sale price and one price per square foot for all ten. Comparable sales occurred from December 2020 to December 2021 for prices ranging from \$50,000 to \$500,000 or \$5.65 to \$14.86 per square foot. The board of review reports that all of its comparables are located in Barrington but gives no specific proximity to the subject property.

The Board conducted a hearing on the appellant’s petition by teleconference on August 27, 2026. The appellant was represented by his attorney, Jessica Hill-Magiera and the Board of Review was represented by Mario Casciaro and John Lartz. Mr. Casciaro argued that the seller was the estate of a deceased person, that there were outstanding unpaid real estate taxes on the property and that there was no seller’s attorney, therefore the subject sale was not an arms-length sale and the sale price is not a market price.

Conclusion of Law

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of a recent sale or appraisal of the subject property, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Property Tax Appeal Board (PTAB) finds the appellant *did meet* this burden of proof.

The Board finds that the best evidence of market value to be the April 24, 2021, sale of the subject property for a price of \$8,000. Notwithstanding the board of review’s argument, the weight of the evidence is for an arms-length sale. The sale did not occur between family members or related companies, was transacted through a realtor, and was listed on the MLS for 190 days. There is no evidence in the record of delinquent taxes owed on the property. Based on this record the Board finds that the subject property had a market value of \$8,000. The Board finds that the market value established by the purchase price is below the assessment and therefore a reduction in the subject’s assessment *is* appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
