

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ahmad Abunaser
DOCKET NO.: 22-22875.001-R-1
PARCEL NO.: 06-09-203-038-0000

The parties of record before the Property Tax Appeal Board are Ahmad Abunaser, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,503
IMPR.: \$36,182
TOTAL: \$42,685

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame construction with 2,701 square feet of living area. The dwelling is 27 years old and features a full basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 10,005 square foot site and is located in Hoffman Estates, Hanover Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's assessment neighborhood and from .07 of a mile to 1.8 miles from the subject. The comparables consist of 2-story class 2-78 dwellings of frame exterior construction ranging in size from 2,698 to 2,816 square feet of living area. The homes range in age from 18 to 28 years old. Each dwelling has central air conditioning, a full or partial basement, and a 2-car or 3-car garage. Two

comparables each have a fireplace. The parcels range in size from 11,935 to 26,143 square feet of land area. The comparables sold from July 2020 to June 2021 for prices ranging from \$335,000 to \$418,000 or from \$124.17 to \$154.47 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$37,057, for an estimated market value of \$370,570 or \$137.20 per square foot of living area, including land, when applying the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the board of review final decision disclosing the total assessment for the subject of \$42,685. The subject's assessment reflects a market value of \$426,850 or \$158.03 per square foot of living area, land included, when using the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and within .25 of a mile of the subject. The comparables consist of 2-story class 2-78 dwellings of frame exterior construction ranging in size from 2,363 to 2,486 square feet of living area. The dwellings are either 28 or 29 years old. Each dwelling has central air conditioning, a fireplace, a full or partial basement, and a 2-car or 2.5-car garage. The parcels range in size from 10,001 to 13,249 square feet of land area. The comparables sold from June 2019 to June 2022 for prices ranging from \$456,750 to \$527,000 or from \$193.29 to \$218.22 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1, #3, and #4, as well as board of review comparables #1, #2, and #4, which sold less proximate to the January 1, 2022 assessment date at issue and/or differ from the subject in location and site size.

The Board finds the best evidence of market value to be the appellant's comparable sale #2 and board of review comparable sale #3, which sold proximate to the assessment date at issue and are similar to the subject in age, location, dwelling size, site size, and features. These most similar comparables sold in June 2021 and June 2022 for prices of \$418,000 and \$527,000 or \$154.47 and \$218.22 per square foot of living area, including land. The subject's assessment reflects a market value of \$426,850 or \$158.03 per square foot of living area, including land, which is bracketed by the best comparable sales in this record. Based on this evidence and after

considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
