

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: William and Marjorie Wright
DOCKET NO.: 22-22919.001-R-1
PARCEL NO.: 06-22-414-032-0000

The parties of record before the Property Tax Appeal Board are William and Marjorie Wright, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,288
IMPR.: \$25,711
TOTAL: \$32,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame construction with 2,292 square feet of living area. The dwelling was constructed in 1990. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a 2-car garage. The property has a 9,717 square foot site located in Streamwood, Hanover Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted sale information on three comparable properties that are located within a ½-mile radius of the subject and that sold between 2019 and 2020 for sale prices ranging from \$116.96 to \$126.79 per square foot of living area, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,000. The subject's assessment reflects a market value of \$330,000 or \$143.97 per square foot of living area, including land, when applying the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2-07 property of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales improved with two-story dwellings of frame construction with varying degrees of similarities to the subject that are located either within a block or within a ¼-mile radius of the subject. The comparable properties have the same assessment neighborhood code as the subject property and sold in 2021 for sale prices ranging from \$150.45 to \$173.00 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's comparables #1 and the board of review's comparables #1 through #3. These four comparables had sales prices ranging from \$126.79 to \$173.00 per square foot of building area, including land. The remaining comparables were given less weight due to differences in size. In comparison the subject's assessment reflects a market value of \$143.97 per square foot of building area is within the range of the best comparables in this record. Based on this record the Board finds the appellant did not demonstrate by a preponderance of the evidence that the subject was overvalued and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
