

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Cohen
DOCKET NO.: 22-23255.001-R-1
PARCEL NO.: 04-01-416-011-0000

The parties of record before the Property Tax Appeal Board are Michael Cohen, the appellant(s), by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,055
IMPR.: \$48,445
TOTAL: \$87,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 21,697 square foot parcel of land improved with a 64-year-old, one-level, masonry, single-family dwelling containing 3,360 square feet of building area. The property is located in Glencoe, New Trier Township, Cook County and is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, appellant submitted copies of the settlement statement and the transfer declaration which disclosed the purchase of the subject on May 20, 2019, for \$875,000. The settlement statement included listing commissions to realty companies, and the transfer declaration disclosed the subject was advertised for sale. The petition discloses that the transfer was not between related parties and that the property was advertised for sale. The appellant did complete

the section of the petition to indicate that the property was sold due to a foreclosure or for a contract for deed. The petition discloses that the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal." The subject's total assessment is \$111,999, which reflects a market value of \$1,119,990 using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four sales comparables. The board of review also lists the sale of the subject in May of 2020 for \$875,000.

In rebuttal, the appellant asserted the best evidence of market value was the sale of the subject in May of 2020.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in May 2019 for a price of \$875,000. The appellant submitted evidence of the sale of the subject and the board of review did not show the sale was not at arm's-length. In addition, the settlement statement includes realty commissions, and the transfer declaration attests that the subject was listed on the open market. Based on this record, the Board finds the subject property had a market value of \$875,000 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
