

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Paluch  
DOCKET NO.: 22-23344.001-R-1  
PARCEL NO.: 05-35-301-002-0000

The parties of record before the Property Tax Appeal Board are John Paluch, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$17,188  
**IMPR.:** \$47,016  
**TOTAL:** \$64,204

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of stucco exterior construction with 1,530 square feet of living area. The home is approximately 119 years old. Features include a full basement, central air conditioning, one fireplace, and a 2-car garage. The property has a 6,250 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located within the subject's assessment neighborhood code. The comparables are improved with class 2-05 dwellings of stucco exterior construction ranging in size from 1,620 to 2,189 square feet of living area. The homes range in age from 97 to 114 years

old. The comparables each have a full or partial basement. Two comparables each have central air conditioning. Eight comparables each have one fireplace. Eight comparables each have from a 1-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$35,757 to \$55,375 or from \$20.81 to \$25.31 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The appellant's submission included a copy of the "Cook County Board of Review" final decision dated March 27, 2023 for the 2022 tax year disclosing the subject has a total assessment of \$64,024. The board of review reported that the subject has an improvement assessment of \$47,017 or \$30.73 per square foot of living area.<sup>1</sup>

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-05 dwellings of frame, stucco, or frame and masonry exterior construction ranging in size from 1,420 to 1,981 square feet of living area. The homes range in age from 98 to 107 years old. The comparables each have a full or partial basement, one of which has finished area. Three comparables each have central air conditioning. Three comparables each have one fireplace. Each comparable has from a 1.5-car to a 2.5-car garage. The comparables have improvement assessments ranging from \$46,491 to \$72,864 or from \$31.46 to \$36.78 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

In written rebuttal, the appellant pointed out differences in age and exterior construction type between the subject property and the board of review comparables #1, #2, and #3.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 through #9 as well as board of review comparables #2 and #3 due to substantial differences from the subject in dwelling size and/or lack of a garage amenity, which the subject features.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 as well as board of review comparables #1 and #4 which are more similar to the subject in location, class, age, and dwelling size with varying degrees of similarity in other features. These

<sup>1</sup> The Board finds the best evidence of the subject's improvement assessment to be \$47,017, which was unrefuted by the appellant.

comparables have improvement assessments ranging from \$35,757 to \$52,594 or from \$22.07 to \$32.74 per square foot of living area. The subject's improvement assessment of \$47,017 or \$30.73 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering the necessary adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
