

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: PRASHANT PATEL
DOCKET NO.: 22-23449.001-R-1
PARCEL NO.: 07-34-413-007-0000

The parties of record before the Property Tax Appeal Board are PRASHANT PATEL, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,291
IMPR.: \$61,072
TOTAL: \$66,363

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 13,228 square foot parcel of land improved with a 20-year-old, two-story, masonry, single-family dwelling containing 3,798 square feet of building area. Amenities of the home include a full basement, air conditioning, a fireplace, and a three-car garage. The property is located in Roselle, Schaumburg Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of this argument, the appellant submitted seven equity comparables. These properties are described as two-story, masonry or frame and masonry, single-family dwellings located within several blocks of the subject. They have partial or full basements, three-car garages, air conditioning, and, for six properties, one or two fireplaces. They range: in age from 20 to 25; in size from 3,434 to 3,791 square feet of building area; and in improvement assessment from \$14.28 to \$16.31 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$66,363 with an improvement assessment of \$61,072 or \$16.08 per square foot of building area.

In support of the assessment the board of review submitted four equity comparables. These properties are described as two-story, masonry, single-family dwellings located on the subject's block or within one-quarter mile of the subject. They have full basements, a fireplace, air conditioning, and three-car garages. They range: in age from 19 to 22 years; in size from 3,107 to 3,790 square feet of building area; and in improvement assessments from \$16.14 to \$17.53 per square foot of building area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, and #4 and the board of review's comparables. These comparables had improvement assessments ranging from \$14.28 to \$17.53 per square foot of building area. While all the comparables were similar in age, size, construction, design, and amenities, these properties were most similar in location. The subject's improvement assessment of \$16.08 per square foot of building area is within the range of the best comparables in this record. Therefore, the Board finds that the appellant has not proven by clear and convincing evidence that the subject property is inequitably assessed, and a reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
