

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Weaver
DOCKET NO.: 22-23697.001-R-1
PARCEL NO.: 05-17-118-088-0000

The parties of record before the Property Tax Appeal Board are Weaver, the appellant, by attorney Hannah Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$39,609
IMPR.: \$210,109
TOTAL: \$249,718

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of frame and masonry exterior construction with 4,729 square feet of living area. The dwelling is approximately 3 years old. Features include a full basement finished with a recreation room, central air conditioning, one fireplace, and a 2-car garage. The property has a 12,003 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood and from 0.2 of mile to 2.4

miles from the subject property.¹ The comparables are improved with 2-story, class 2-08 dwellings of frame or masonry exterior construction ranging in size from 3,960 to 4,853 square feet of living area. The homes range in age from 5 to 8 years old. Each property has a full basement, central air conditioning, from one to three fireplaces, and a 2-car garage. The comparables have improvement assessments ranging from \$152,460 to \$194,330 or from \$37.89 to \$43.02 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$188,611.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted the board of review final decision disclosing the total assessment for the subject of \$249,718. The subject property has an improvement assessment of \$210,109 or \$44.43 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the subject's assessment neighborhood. The three comparables are improved with 2-story, class 2-08 dwellings of masonry exterior construction ranging in size from 3,818 to 4,161 square feet of living area. The homes range in age from 5 to 13 years old. Each property has a full basement finished with a recreation room, central air conditioning, from two to four fireplaces, and from a 1.5-car to a 3-car garage. The comparables have improvement assessments ranging from \$194,148 to \$236,798 and of either \$50.56 or \$56.91 per square foot of living area. Based on the evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, #4, and #5, as well as board of review comparables #2 and #3, due to differences when compared to the subject in location and/or dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and board of review comparable #1 which are overall most similar to the subject in location, age, dwelling size, and other features. The two best comparables have improvement assessments of \$185,110 and \$236,798 or \$41.58 and \$56.91 per square foot of living area. The subject's

¹ The appellant's comparables have PINs beginning with 05-17 and 05-21 indicating the properties are located in either section 17 or 21 of the township, whereas the subject's PIN begins with 05-17, indicating the property is located in section 17.

improvement assessment of \$210,109 or \$44.43 per square foot of living area is bracketed by the two best comparables in this record. After considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
