

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Adam Paris
DOCKET NO.: 22-23708.001-R-1
PARCEL NO.: 05-33-215-014-0000

The parties of record before the Property Tax Appeal Board are Adam Paris, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$21,450
IMPR.: \$113,630
TOTAL: \$135,080

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,308 square feet of living area.¹ The home is approximately 10 years old. Features include a full basement, three full bathrooms, central air conditioning, two fireplaces, and a 2-car garage. The property has a 7,800 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information, including property characteristics printouts, on five equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 3,213 to 3,450 square feet of

¹ The best description of the subject was found in the evidence presented by the appellant.

living area. The homes range in age from 22 to 33 years old. Each comparable has a full basement, two or three full bathrooms, central air conditioning, and a 2-car or a 2.5-car garage. Four comparables each have one fireplace. The comparables have improvement assessments ranging from \$71,563 to \$81,663 or from \$20.74 to \$24.15 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$135,080. The subject has an improvement assessment of \$113,630 or \$34.35 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" for a different property than the subject property under appeal. In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located in a different assessment neighborhood code and village than the subject. The comparables are improved with 1-story, class 2-03 or 2-story, 2-05 dwellings of frame or masonry exterior construction ranging in size from 1,005 to 1,848 square feet of living area. The homes range in age from 65 to 94 years old. Two comparables each have a full basement and one comparable has a crawl space foundation. Each comparable has central air conditioning and a 1-car or a 2-car garage. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$19,697 to \$40,730 or from \$19.60 to \$22.04 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the board of review comparables which are located in a different assessment neighborhood code and village than the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables which are more similar to the subject in location, design/class, and dwelling size with varying degrees of similarity in age, bathroom count, fireplace count, and other features. These comparables have improvement assessments ranging from \$71,563 to \$81,663 or from \$20.74 to \$24.15 per square foot of living area. The subject's improvement assessment of \$113,630 or \$34.35 per square foot of living area falls above the range established by the best comparables in this record which appears logical considering its substantially newer age and/or larger bathroom and fireplace counts when compared to the best comparables. After considering the adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
