

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sara Turover
DOCKET NO.: 22-23903.001-R-1
PARCEL NO.: 05-18-200-015-0000

The parties of record before the Property Tax Appeal Board are Sara Turover, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,910
IMPR.: \$69,976
TOTAL: \$84,886

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stucco exterior construction with 3,011 square feet of living area. The home is approximately 91 years old. Features include an unfinished basement, three full and one half bathrooms, central air conditioning, one fireplace, and a 2-car garage. The property has a 5,964 square foot site and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information, including property characteristics printouts, on five equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-06 dwellings of frame, masonry, stucco, or frame and masonry exterior construction ranging in size from 2,786 to 3,249

square feet of living area. The homes range in age from 76 to 107 years old. The comparables each have a full basement with three having finished area, two or three full bathrooms with four having an additional half bathroom, and one or two fireplaces. Two comparables each have central air conditioning. Four comparables each have a 2-car garage. The comparables have improvement assessments ranging from \$41,300 to \$52,975 or from \$14.00 to \$18.74 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$84,886. The subject has an improvement assessment of \$69,976 or \$23.24 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-06 dwellings of stucco exterior construction ranging in size from 2,578 to 3,608 square feet of living area. The homes range in age from 97 to 100 years old. Each comparable has a full basement with two having finished area, three full bathrooms with one having an additional half bathroom, one or two fireplaces, and a 1-car or a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$69,850 to \$89,612 and of either \$24.84 or \$32.34 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #5 as well as the board of review comparables #2 and #3 due to substantial differences from the subject in age, dwelling size, central air conditioning amenity, and/or garage amenity.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4 as well as board of review comparable #1 which are more similar to the subject in design/class, age, and dwelling size with varying degrees of similarity in bathroom count, basement finish, and other features. These comparables have improvement assessments ranging from \$46,200 to \$69,850 or from \$15.19 to \$24.84 per square foot of living area. The subject's improvement assessment of \$69,976 or \$23.24 per square foot of living area falls slightly above the range established by the best comparables in this record on an overall basis but within the

range on a per square foot basis. However, after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
