

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Daniel Ray
DOCKET NO.: 22-23906.001-R-1
PARCEL NO.: 05-34-307-011-0000

The parties of record before the Property Tax Appeal Board are Daniel Ray, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$24,062
IMPR.: \$84,193
TOTAL: \$108,255

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,084 square feet of living area. The home is approximately 93 years old. Features include an unfinished basement, central air conditioning, one fireplace, and a 2-car garage. The property has an 8,750 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information, including property characteristics printouts, on five equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-06 dwellings of frame, masonry, stucco, or frame and masonry exterior construction ranging in size from 2,841 to 3,283

square feet of living area. The homes range in age from 64 to 99 years old. Each comparable has a full basement and a 1-car or a 2-car garage. Four comparables each have central air conditioning. Four comparables each have one or three fireplaces. The comparables have improvement assessments ranging from \$64,353 to \$73,688 or from \$21.44 to \$22.65 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$108,255. The subject has an improvement assessment of \$84,193 or \$27.30 per square foot of living area.

I The board of review submitted its "Board of Review Notes on Appeal." In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-06 dwellings of frame exterior construction ranging in size from 2,534 to 2,885 square feet of living area. The homes range in age from 108 to 137 years old. Each comparable has a full or partial basement, central air conditioning, two fireplaces, and a 2-car garage. The comparables have improvement assessments ranging from \$75,766 to \$86,375 or from \$29.90 to \$30.92 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #3, #4, and #5 which are substantially newer homes than the subject and/or feature basement finish, unlike the subject. The Board also gives less weight to board of review comparable #3 which is a substantially smaller dwelling than the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and board of review comparables #1 and #2 which are more similar to the subject design/class, dwelling size, and other features but are older homes than the subject. These comparables have improvement assessments ranging from \$72,938 to \$86,375 or from \$22.22 to \$30.92 per square foot of living area. The subject's improvement assessment of \$84,193 or \$27.30 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
