

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alexander Von Den Steinen
DOCKET NO.: 22-23912.001-R-1
PARCEL NO.: 05-28-308-013-0000

The parties of record before the Property Tax Appeal Board are Alexander Von Den Steinen, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,520
IMPR.: \$30,024
TOTAL: \$49,544

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 1,630 square feet of living area. The home is approximately 79 years old. Features include a full basement with finished area, one fireplace, and a 1-car garage. The property has a 6,100 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information, including property characteristics printouts, on five equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-05 dwellings of frame or masonry exterior construction ranging in size from 1,504 to 1,716 square feet of living area.

The homes range in age from 69 to 150 years old. Each comparable has a full basement with finished area and a 1-car or a 2-car garage. Three comparables each have central air conditioning. Four comparables each have one fireplace. The comparables have improvement assessments ranging from \$25,200 to \$31,400 or from \$15.79 to \$19.87 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$30,024 or \$18.42 per square foot of living area.

The appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$60,971. The subject has an improvement assessment of \$41,451 or \$25.43 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal." In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-05 dwellings of frame and masonry exterior construction ranging in size from 1,844 to 1,990 square feet of living area. The homes range in age from 78 to 92 years old. Three comparables each have a full basement, one of which has finished area, and one comparable has a slab foundation. Three comparables each have central air conditioning. Each comparable has one or two fireplaces and a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$56,675 to \$69,480 or from \$30.73 to \$35.25 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted nine suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, and #3 due to substantial differences from the subject in age. The Board also gives less weight to the board of review comparables which are substantially larger homes than the subject and/or differ from the subject in foundation type.

The Board finds the best evidence of assessment equity to be the appellant's comparables #4 and #5 which are overall more similar to the subject in design/class, age, and dwelling size with varying degrees of similarity in other features. The two best comparables have improvement assessments of \$29,880 and \$31,400 or \$18.69 and \$19.87 per square foot of living area. The subject's improvement assessment of \$41,451 or \$25.43 per square foot of living area exceeds the two best comparables in this record and is excessive. Based on this record and after considering the necessary adjustments to the two best comparables for differences from the

subject, the Board finds the appellant demonstrated that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
