

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jeffrey Gray  
DOCKET NO.: 22-24085.001-R-1  
PARCEL NO.: 05-33-402-039-0000

The parties of record before the Property Tax Appeal Board are Jeffrey Gray, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$17,875
<b>IMPR.:</b>	\$121,123
<b>TOTAL:</b>	\$138,998

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 3,082 square feet of living area. The home is approximately 7 years old. Features include a full basement with finished area, central air conditioning, two fireplaces, and a 2-car garage. The property has a 6,500 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 2,774 to 3,382 square feet of living area. The homes range in age from 22 to 34 years old. Each comparable has a full basement with four of these having finished area,

central air conditioning, and a 2-car garage. Four comparables each have one fireplace. The comparables have improvement assessments ranging from \$60,663 to \$81,663 or from \$21.87 to \$24.15 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" depicting a final assessment of \$147,000. However, the appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$138,998. The subject has an improvement assessment of \$121,123 or \$39.30 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-78 dwellings of frame exterior construction ranging in size from 2,878 to 3,593 square feet of living area. The homes are each 7 years old. Each comparable has a full basement with finished area, central air conditioning, one or two fireplaces, and a 2-car garage. Comparable #2 was disclosed to have other improvements, but additional details were not disclosed. The comparables have improvement assessments ranging from \$134,725 to \$149,493 or from \$40.85 to \$47.32 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparable #1 which are less similar to the subject in age or dwelling size than other comparables in this record. Further, the appellant's comparable #4 lacks finished area, which the subject features.

The Board finds the best evidence of assessment equity to be board of review comparables #2 and #3 which are similar to the subject in design/class, age, dwelling size, and other features. The best comparables have improvement assessments of \$134,725 and \$136,175 or \$40.85 and \$47.32 per square foot of living area, respectively. The subject's improvement assessment of \$121,123 or \$39.30 per square foot of living area falls below the two best comparables in this record. After considering adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
