

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Harold Jagher
DOCKET NO.: 22-24128.001-R-1
PARCEL NO.: 05-07-415-012-0000

The parties of record before the Property Tax Appeal Board are Harold Jagher, the appellant, by attorney Abby L. Strauss, of Schiller Law P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$29,737
IMPR.: \$86,262
TOTAL: \$115,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 3,474 square feet of living area. The home is approximately 93 years old. Features include a partial basement, central air conditioning, one fireplace, and a 2-car garage. The property has an 11,895 square foot site and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on seven equity comparables located within the subject's assessment neighborhood code. The comparables are improved with class 2-06 dwellings of masonry exterior construction ranging in size from 3,110 to 3,644 square feet of living area. The homes range in age from 78 to 101 years old. The comparables each have a full or partial basement, one or two fireplaces, and a 1-car or a 2-car

garage. Four comparables each have central air conditioning. The comparables have improvement assessments ranging from \$67,706 to \$82,251 or from \$21.35 to \$22.57 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$115,999. The subject has an improvement assessment of \$86,262 or \$24.83 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood code. The comparables are improved with 2-story, class 2-06 dwellings of masonry exterior construction ranging in size from 2,905 to 4,398 square feet of living area. The homes range in age from 89 to 96 years old. The comparables each have a full or partial basement, one or two fireplaces, and a 2-car garage. Two comparables each have central air conditioning. The comparables have improvement assessments ranging from \$84,825 to \$162,005 or from \$25.88 to \$49.02 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

In written rebuttal, the appellant pointed out the difference in dwelling size (living area) between the subject property and the board of review comparable #4.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven suggested equity comparables for the Board's consideration. The board gives less weight to the appellants' comparables #1 through #5 as well as board of review comparables #1, #2, and #4 due to substantial differences from the subject in age, dwelling size, and/or lack of central air conditioning, which is a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #6 and #7 as well as board of review comparable #3 which are overall more similar to the subject in class, age, dwelling size, and most features. The best comparables have improvement assessments ranging from \$72,698 to \$90,825 or from \$21.95 to \$25.88 per square foot of living area. The subject's improvement assessment of \$86,262 or \$24.83 per square foot of living area falls within the range established by the best comparables in this record. Based on this record and after considering the necessary adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
