

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alex Groden
DOCKET NO.: 22-24149.001-R-1
PARCEL NO.: 05-06-408-008-0000

The parties of record before the Property Tax Appeal Board are Alex Groden, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$26,928
IMPR.: \$102,032
TOTAL: \$128,960

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2024 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of masonry exterior construction with 4,017 square feet of living area. The dwelling is approximately 71 years old. Features of the home include a full basement, central air conditioning, two fireplaces and a 2-car garage. The property has a 12,240 square foot site and is located in Glencoe, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables with the same assessment neighborhood code as the subject. The comparables are class 2-06 properties improved with 2-story dwellings of stucco, masonry or frame and masonry exterior construction ranging in size from 3,739 to 4,363 square feet of living area. The

dwelling are 68 to 112 years old and have full basements. Three comparables have central air conditioning. Each comparable has one to three fireplaces and a 1-car to a 3-car garage. The comparables have improvement assessments ranging from \$92,506 to \$108,665 or from \$24.74 to \$25.47 square feet of living area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$139,886. The subject property has an improvement assessment of \$112,958 or \$28.12 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are class 2-06 properties improved with 2-story dwellings of stucco or masonry exterior construction ranging in size from 3,224 to 4,865 square feet of living area. The homes are 64 to 97 years old. Three comparables have full basements and one comparable has a slab foundation. Two comparables have central air conditioning. Each comparable has one to three fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$99,082 to \$300,000 or from \$30.73 to \$71.48 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The record contains nine suggested comparables for the Board's consideration. The Board gives less weight to board of review comparables #2, #3 and #4 due to significant differences in dwelling size when compared to the subject. The Board gives less weight to board of review comparable #1 which is an outlier due to its significantly higher improvement assessment relative to the other comparables in the record.

The Board finds the best evidence of equity to be the appellant's comparables which are more similar in dwelling size. However, four comparables are significantly older dwellings, two comparables lack central air conditioning, four comparables differ in fireplace count and two comparables differ in garage capacity suggesting adjustments are necessary to make them more equivalent to the subject. These comparables have improvement assessments ranging from \$92,506 to \$108,665 or from \$24.74 to \$25.47 per square foot of living area. The subject's improvement assessment of \$112,958 or \$28.12 per square foot of living area falls above the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
