

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aaron Berlin
DOCKET NO.: 22-24311.001-R-1
PARCEL NO.: 05-28-306-011-0000

The parties of record before the Property Tax Appeal Board are Aaron Berlin, the appellant, by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,520
IMPR.: \$70,074
TOTAL: \$89,594

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 2,866 square feet of living area. The dwelling is approximately 83 years old. Features of the home include a basement, central air conditioning, a fireplace, and a 1-car garage. The property has a 6,100 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity regarding the improvement as the basis of the appeal. In support of this argument the appellant submitted information on five comparables located within the same assessment neighborhood code as the subject. The comparables consist of 2-story, class 2-06 homes of frame, masonry or frame and masonry exterior construction ranging in size from 2,726 to 3,152 square feet of living area. The dwellings are 66 to 89 years

old. Each home has a basement, central air conditioning and 1 to 3 fireplaces. Four comparables have either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$52,440 to \$59,480 or from \$16.66 to \$19.71 per square foot of living area. Based on this evidence the appellant requested a reduction in the subject's improvement assessment to \$54,855.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the Cook County Board of Review final decision for the 2022 tax year disclosing the total assessment for the subject of \$89,594. The subject property has an improvement assessment of \$70,074 or \$24.45 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four comparables located within the same assessment neighborhood code, same block and same street as the subject. The comparables consist of 2-story, class 2-06 homes of frame and masonry exterior construction ranging in size from 2,391 to 2,694 square feet of living area. The dwellings are 72 to 93 years old. Each home has a basement, central air conditioning, a fireplace, and either a 1-car or a 2-car garage. The comparables have improvement assessments ranging from \$73,480 to \$82,480 or from \$28.96 to \$30.73 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.AdM.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.AdM.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains nine equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which according to the property index numbers (PINs) and addresses are located within a different tax block/street in comparison to the board of review comparables which are located within the same block/street as the subject property (PINs beginning 05-29-306). Additionally, the Board gives less weight to the appellant's comparables #4 and #5 as well as the board of review comparables #1 and #3 due to considerable differences in their dwelling sizes, ages, and/or lack of a garage amenity when compared to the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #2 and #4 which are overall more similar to the subject in location, design, dwelling size, age and other features. These two comparables have improvement assessments of \$74,480 and \$82,480 or \$28.96 and \$30.62 per square foot of living area, respectively. The subject's improvement assessment of \$70,074 or \$24.45 per square foot of living area falls below the two best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
