

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Vive Payan
DOCKET NO.: 22-24330.001-R-1
PARCEL NO.: 07-08-305-019-0000

The parties of record before the Property Tax Appeal Board are Vive Payan, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,403
IMPR.: \$20,042
TOTAL: \$24,445

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,094 square feet of living area. The dwelling is approximately 43 years old. Features of the home include a full basement with finished area, central air conditioning, and a 2-car garage. The property has a 4,403 square foot site and is located in Hoffman Estates, Schaumburg Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables, none of which are located within the subject's assessment neighborhood. The appellant did not provide the proximity of the comparables to the subject. The comparables consist of class 2-03, 1-story dwellings of frame exterior construction ranging in size from 1,233 to 1,521 square feet

of living area. The dwellings are from 55 to 61 years old. Each comparable has a full basement with finished area, and from a 1-car to a 2-car garage. Four comparables each have central air conditioning. Two comparables each have 1 or 2 fireplaces. The comparables have improvement assessments ranging from \$11,588 to \$15,000 or from \$9.22 to \$10.10 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$24,445. The subject has an improvement assessment of \$20,042 or \$18.32 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three comparables located within the same assessment neighborhood, block and street as the subject. The comparables consist of class 2-03, 1-story dwellings of frame exterior construction with 1,075 or 1,105 square feet of living area. The dwellings are 39 or 43 years old. The comparables have full basements with finished area, central air conditioning, and a 2-car garage. The comparables have improvement assessments ranging from \$21,213 to \$23,489 or from \$19.73 to \$21.85 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables which are located within a different assessment neighborhood than the subject and their proximity to the subject was not provided by the appellant which is needed by the Board to conduct a meaningful analysis of the similarities and differences of these comparables to the subject. In addition, these comparables are less similar to the subject in age, dwelling size, and/or central air conditioning than the board of review's comparables.

The Board finds the best evidence of assessment equity to be the board of review's comparables which are overall more similar to the subject in location, design/class, age, dwelling size, and other features. These three comparables have improvement assessments ranging from \$21,213 to \$23,489 or from \$19.73 to \$21.85 per square foot of living area. The subject's improvement assessment of \$20,042 or \$18.32 per square foot of living area falls below the range established by the best comparables in the record. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
