

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Maciej Drazkiewicz  
DOCKET NO.: 22-24960.001-R-1  
PARCEL NO.: 05-07-100-001-0000

The parties of record before the Property Tax Appeal Board are Maciej Drazkiewicz, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$55,993  
**IMPR.:** \$6,007  
**TOTAL:** \$62,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of frame construction with 2,346 square feet of living area. The dwelling was 111 years old. Features of the home include a full basement, a fireplace, and a two-car garage. The property has a 33,250 square foot site and is located in Glencoe, New Trier Township, Cook County. The property is a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$620,000 as of January 1, 2022. The appraisal was prepared by a certified residential real estate appraiser who asserted that the highest and best use of the subject property as improved was its present use. The appraiser inspected the property on August 4, 2022, and used the sales comparison and cost approaches to valuation.

Under the sales comparison approach, the appraiser utilized three comparable sales properties located within 0.50-mile radius of the subject property. The comparable properties sites ranged in size from 11,270 to 20,916 square feet of land area and from 1,920 to 3,045 square feet of living area. The properties are each improved with a 1.5- or two-story single-family dwelling of frame, brick, or frame and brick construction that were from 6 to 97 years old. The comparable properties sold from May 2021 to August 2021 for prices ranging from \$601,000 to \$730,000 or from \$239.74 to \$333.01 per square foot of living area, land included in the sales prices. The appraiser adjusted, as applicable, for condition, room count, gross living area, site, rooms below grade, actual age, and basement/finish. The appraiser concluded that based on the sales data and applying adjustments to the comparable sales for differences from the subject, the subject had a market value of \$620,000. Based on this evidence the appellant is seeking a reduction in the subject's assessment to reflect the appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$111,993. The subject's assessment reflects a market value of \$1,119,930 or \$477.38 per square foot of living area, including land, when applying the level of assessments for class two property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales properties which were sold from May 2021 to December 2022 for sales prices from \$1,235,000 to \$2,560,000 or from \$294.40 to \$1104.40 per square foot of living area, land included in the sales prices. These properties were located within the same subarea as the subject including three within a ¼-mile radius of the subject. The improvements were from 46 to 71 years old and had from 2,318 to 4,195 square feet of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

This matter was scheduled to proceed to hearing. Prior to the hearing, the parties submitted a written request to waive the hearing and have the matter decided based on the evidence previously submitted. The administrative law judge granted the parties' request.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The Board finds the appellant submitted a credible appraisal report with reasonable and logical adjustments for differences from the subject which was not challenged by the board of review. The four comparable sales presented by the board of review lacked adjustments for significant differences when compared to the subject property. The subject's current assessment reflects a market value of \$1,119,930, which is higher than the appraised value of \$620,000. Based on the

evidence presented, the Board finds the subject property is overvalued and a reduction commensurate with the appellant's request is warranted. Since market value has been established the level of assessment for class two property under the Cook County Real Property Assessment Classification Ordinance shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
