

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Hardgrove  
DOCKET NO.: 22-25092.001-R-1 through 22-25092.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are James Hardgrove, the appellant, by attorney Jeremy Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
22-25092.001-R-1	11-19-119-016-0000	18,434	69,565	\$87,999
22-25092.002-R-1	11-19-119-017-0000	19,250	0	\$19,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two parcels improved with a 2-story dwelling of frame exterior construction with 3,372 square feet of living area. The dwelling is approximately 117 years old. Features of the home include a full basement, one fireplace, and a 1-car garage.<sup>1</sup> The property has a 17,129 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject and located from .5 of a

mile to 1.1 miles from the subject. The comparables are class 2-06 properties improved with two or more story dwellings of frame exterior construction ranging in size from 3,040 to 3,932 square feet of living area. The dwellings are 104 to 142 years old and have full basements. Three comparables each have one, two or three fireplaces. Each comparable has a 1-car, a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$50,095 to \$72,896 or from \$16.15 to \$18.54 square feet of living area. Based on this evidence the appellant requested a reduction in the subject's assessment.

The appellant submitted the Cook County Board of Review Final Decision for both parcels that disclosed a total assessment \$107,249. The subject has an improvement assessment of \$69,566 or \$20.63 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" on one of the subject's two parcels. In support of its contention of the correct assessment the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are class 2-06 properties improved with 2-story dwellings of stucco or frame exterior construction ranging in size from 3,276 to 3,434 square feet of living area. The homes are 92 to 119 years old and have partial or full basements, one of which has finished area. Three comparables have central air conditioning. Each comparable has one fireplace and a 2-car garage. Comparable #1 has other improvements that were not further described. The comparables have improvement assessments ranging from \$73,211 to \$96,378 or from \$21.41 to \$28.68 per square foot of living area. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested comparables for the Board's consideration. The Board gives less weight to appellant's comparables #1, #3 and #4 due to differences in age, dwelling size and/or location being over 1 mile away when compared to the subject. The Board gives less weight to board of review comparables #1, #3 and #4 which have central air conditioning, a feature the subject lacks.

The Board finds the best evidence of equity to be appellant's comparable #2 and board of review comparable #2 which overall are more similar to the subject in location, age, dwelling size and features. These comparables have improvement assessments of \$50,095 and \$96,378 or \$16.48 and \$28.68 per square foot of living area, respectively. The subject's improvement assessment of \$69,566 or \$20.63 per square foot of living area is bracketed by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to

the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
