

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

iAPPELLANT: Mary Mcilwee
DOCKET NO.: 22-26457.001-R-1
PARCEL NO.: 08-10-103-030-0000

The parties of record before the Property Tax Appeal Board are Mary Mcilwee, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,795
IMPR.: \$24,652
TOTAL: \$30,447

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 6,100 square foot parcel of land improved with a 9601-year-old, one-story, masonry, single-family dwelling containing 1,215 square feet of building area. The property is located in Arlington Heights, Elk Grove Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant provided very limited data on four comparables. The appellant was sent a letter requesting more information on these comparables such as sale date, sale price, and sale price per square foot. The appellant then submitted sales information on the subject from a 2016 sale and one sale comparable. This property is described as a 60-year-old, one-story, masonry, single-family dwelling containing 1,161 square feet of building area. It sold in September 2021 for \$193.80 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$30,447. The total assessment reflects a market value of \$304,470 or \$250.59 per square foot of building area using the Cook County Real Property Classification Ordinance for Class 2 property of 10%.

In support of the assessment the board of review submitted four comparables with sales data on two. These properties are described as one-story, frame and masonry or masonry, single-family dwellings. They range: in age from 56 to 62 years; in size from 1,120 to 1,242 square feet of building area; and in improvement assessment from \$20.84 to \$22.78 per square foot of building area. Comparables #1 and #2 sold in August 2021 and December 2022 for \$282.71 and \$202.09 per square foot of building area, respectively.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's one sales comparable and the board of review's comparables #1 and #2. These properties sold from August 2021 to December 2022 for prices ranging from \$193.80 to \$282.71 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$250.59 per square foot of building area which is within the range of these comparables. The Board gives no weight to the sale of the subject in 2016 as this sale date is too far removed from the lien year in question to accurately reflect the subject's market value as of January 1, 2022. Therefore, the Board finds the appellant has not proven by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
