

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Berger  
DOCKET NO.: 22-27629.001-R-1  
PARCEL NO.: 05-33-405-016-0000

The parties of record before the Property Tax Appeal Board are Susan Berger, the appellant, by attorney Eric Feldman, of Eric Feldman & Assoc. P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,515  
**IMPR.:** \$33,932  
**TOTAL:** \$46,447

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame exterior construction with 1,114 square feet of living area. The dwelling is approximately 106 years old. Features include a full basement. The property has a 4,551 square foot site and is located in Wilmette, New Trier Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the subject's improvement as the basis of the appeal. In support of this argument the appellant submitted information on five comparable properties that are located within the same neighborhood code as the subject. The comparables are improved with 1-story or 1.5-story, class 2-03 dwellings of frame, masonry, stucco, or frame and masonry exterior construction ranging in size from 1,075 to 1,234 square feet of living area. The dwellings range in age from 87 to 109 years old. Each comparable has a full basement and from a 1-car to a 2.5-car garage. Two comparables each have central air

conditioning. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$22,000 to \$30,375 or from \$18.23 to \$26.55 per square foot of living area. Based on this evidence, the appellant requested a reduction in the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,447. The subject property has an improvement assessment of \$33,932 or \$30.46 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four comparable properties that are located within the same neighborhood code as the subject. The comparables are improved with 1-story dwellings of frame exterior construction ranging in size from 1,042 to 1,104 square feet of living area. The dwellings range in age from 99 to 111 years old. Each comparable has a full or partial basement and a 1-car or a 1.5-car garage. One comparable has one fireplace. The comparables have improvement assessments ranging from \$27,363 to \$44,483 or from \$26.26 to \$42.36 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested equity comparables for the Board's consideration, each of which has a garage amenity, unlike the subject. Nevertheless, the Board gives less weight to the appellant's comparables #3 and #4 which feature central air conditioning, unlike the subject, and/or differ substantially from the subject in age. The Board also give less weight to the appellant's comparable #5 which has a dissimilar 1.5-story design when compared to the subject's 1-story design.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1 and #2 as well as the board of review's comparables. These comparables are similar to the subject in location, design/class, age, and dwelling size with varying degrees of similarity in other features. The best comparables have improvement assessments ranging from \$25,500 to \$44,483 or from \$23.72 to \$42.36 per square foot of living area per square foot of living area. The subject's improvement assessment of \$33,932 or \$30.46 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
