

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ted Arvanitis
DOCKET NO.: 22-30490.001-R-1
PARCEL NO.: 08-13-302-017-0000

The parties of record before the Property Tax Appeal Board are Ted Arvanitis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,132
IMPR.: \$27,161
TOTAL: \$35,293

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 1,774 square feet of living area. The dwelling is approximately 61 years old. Features of the home include a slab foundation, central air conditioning, and a 2-car garage. The property has a 9,035 square foot site and is located in Des Plaines, Elk Grove Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the same assessment neighborhood code as the subject and from 0.7 of a mile to 1.1 miles from the subject. The parcels range in size from 6,900 to 11,505 square feet of land area and are improved with 2-story, class 2-07 homes of frame and masonry exterior construction ranging in size from 1,718 to

1,861 square feet of living area. The dwellings range in age from 56 to 60 years old. Three homes have a basement and one home has a slab foundation. Each home has central air conditioning and a 2-car garage. One home has a fireplace. The comparables have improvement assessments ranging from \$265,000 to \$360,000 or from \$146.49 to \$197.90 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,291. The subject's assessment reflects a market value of \$352,910 or \$198.93 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the same assessment neighborhood code as the subject and either 0.25 of a mile from the subject or within the same subarea as the subject. The parcels range in size from 7,500 to 11,098 square feet of land area and are improved with 2-story, class 2-07 homes of frame or frame and masonry exterior construction ranging in size from 1,693 to 1,863 square feet of living area. The dwellings are 58 or 61 years old. Two homes have a basement, one of which has finished area, and two homes have a slab foundation. Each home has central air conditioning and a 2-car garage. The comparables sold from October 2020 to January 2022 for prices ranging from \$367,900 to \$420,000 or from \$206.69 to \$227.41 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2, #3, and #4 and the board of review's comparables #1, #2, and #3, which sold less proximate in time to the assessment date than other sales in this record and/or differ substantially from the subject in foundation type. The Board finds the best evidence of market value to be the appellant's comparable #1 and the board of review's comparable #4, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, site size, location, and features. These comparables sold for prices of \$360,000 and \$414,000 or \$194.70 and \$225.12 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$352,910 or \$198.93 per square foot of living area, including land, which is below the two best comparable sales in terms of total market value and bracketed by the best comparables on a per square foot basis. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
