

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Aristotle Selemidis
DOCKET NO.: 22-30493.001-R-1
PARCEL NO.: 08-09-312-021-0000

The parties of record before the Property Tax Appeal Board are Aristotle Selemidis, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,750
IMPR.: \$31,079
TOTAL: \$39,829

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 1,809 square feet of living area. The dwelling is approximately 49 years old. Features of the home include a basement with finished area, central air conditioning, a fireplace, and a 2-car garage. The property has an 8,750 square foot site and is located in Arlington Heights, Elk Grove Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within 0.8 of a mile from the subject. The parcels range in size from 8,710 to 9,890 square feet of land area and are improved with 2-story, class 2-07 homes of frame and masonry exterior construction ranging in size from 1,727 to 1,807 square feet of living area. The dwellings range in age from 41 to 55 years old.

Three homes each have a basement and one home has a slab foundation. The appellant did not disclose whether any homes have finished basement area. Three homes have central air conditioning. Each home has a fireplace and a 2-car garage. The comparables sold from September 2019 to August 2020 for prices ranging from \$319,000 to \$415,000 or from \$176.54 to \$230.30 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment to \$37,233.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$39,829. The subject's assessment reflects a market value of \$398,290 or \$220.17 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located 0.25 of a mile from the subject. The parcels range in size from 7,838 to 8,750 square feet of land area and are improved with 2-story, class 2-07 homes of frame and masonry exterior construction ranging in size from 1,769 to 1,809 square feet of living area. The dwellings range in age from 41 to 51 years old. Each home has a basement, two of which have finished area, central air conditioning, a fireplace, and a 2-car garage. The comparables sold from May 2020 to November 2022 for prices ranging from \$370,000 to \$441,000 or from \$205.10 to \$245.90 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparable #3, which sold less proximate in time to the assessment date than the other comparables in this record. The Board finds the best evidence of market value to be the board of review's comparables #1, #2, and #4, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, site size, and features, although one comparable lacks finished basement area that is a feature of the subject, suggesting an upward adjustment to this comparable would be needed to make it more equivalent to the subject. These comparables sold for prices ranging from \$400,000 to \$441,000 or from \$221.12 to \$245.90 per square foot of living area, including land. The subject's assessment reflects a market value of \$398,290 or \$220.17 per square foot of living area, including land, which is below the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
