

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laura Foster  
DOCKET NO.: 22-31132.001-R-1  
PARCEL NO.: 31-26-300-064-0000

The parties of record before the Property Tax Appeal Board are Laura Foster, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm, LLC in Homewood; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$15,856  
**IMPR.:** \$78,144  
**TOTAL:** \$94,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an approximately 13-year-old two-story building of masonry construction with 19,575 square feet of building area. Features of the building include a slab foundation, central air conditioning, and a three-car garage. The property has a 63,427 square foot site and is located in Richton Park, Rich Township, Cook County. The property is a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as a basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$940,000 as of January 1, 2020. The appraiser relied on the sales comparison approach in which he used sales of eight comparable properties in Richton Park and other nearby towns that took place between January 2017 and June 2020 for amounts ranging from \$315,000 to \$1,000,000 or from \$11.40 to \$50.17 per square foot of living area, land included in the sales prices. The appraiser

adjusted the sales prices to account for differences between the subject and the comparables. Photographs of the subject dwelling's interior were included with the appraisal. The appellant is requesting an assessed value of \$94,000, which is the amount reflected in the attached appraisal that valued the property at \$940,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$129,974. The subject's assessment reflects a market value of \$1,299,740 or \$66.40 per square foot of living area, including land. The board of review did not submit any evidence of comparables or any other supporting documentation. The board of review is requesting that the current assessment be confirmed.

### **Conclusion of Law**

The appellant contends that the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the best evidence of the subject's market value is the appraisal submitted by the appellant. That appraisal employed the sales comparison approach, relying upon sales of eight suggested comparable properties in Richton Park and nearby towns between January 2017 and June 2020, for amounts ranging from \$315,000 to \$1,000,000 or from \$11.40 to \$50.17 per square foot of living area, land included in the sales prices. The appraiser adjusted these sales prices to account for differences between the subject and the comparables. In contrast, the board of review did not provide any evidence.

Accordingly, the Board finds the subject property had a fair market value of \$940,000 as of the assessment date at issue. Because the assessment reflects a greater fair market value, the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
