

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose Moran
DOCKET NO.: 22-31380.001-R-1
PARCEL NO.: 14-31-307-036-0000

The parties of record before the Property Tax Appeal Board are Jose Moran, the appellant, by attorney Brian S. Maher, of Weis, DuBrock, Doody & Maher in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,800
IMPR.: \$97,101
TOTAL: \$113,901

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story, dwelling of masonry exterior construction with 2,128 square feet of living area and is approximately 14 years old. Features include a full basement with finished area, 2½ bathrooms, central air conditioning, and a 2-car garage. The property has a 2,400 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with 2-story, class 2-78 dwellings of frame or masonry exterior construction ranging in size from 2,006 to 2,310 square feet of living area. The dwellings range in age from 17 to 23 years old. The comparables each have a full basement with finished basement area reported as

“N/A.” Each comparable has 2½ or 3½ bathrooms, and central air conditioning. Three comparables each have one or two fireplaces and a 2-car garage. The comparables have improvement assessments ranging from \$73,540 to \$100,023 or from \$36.01 to \$43.30 per square foot of living area. Based on this evidence, the appellant requested that the subject’s improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,901. The subject property has an improvement assessment of \$97,101 or \$45.63 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same assessment neighborhood code as the subject. The comparables are improved with 2-story, class 2-78 dwellings of frame or masonry exterior construction ranging in size from 2,160 to 2,420 square feet of living area. The dwellings range in age from 2 to 13 years old. Each comparable has a full basement with finished area, 1½ or 3½ bathrooms, central air conditioning, and a 2-car garage. Two comparables each have a fireplace. The comparables have improvement assessments ranging from \$101,200 to \$129,200 or from \$46.85 to \$58.12 per square foot of living area. Based on this evidence, the board of review requested the subject’s assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board’s consideration. The Board gives less weight to the appellant’s comparable #1 which has a substantially lower improvement assessment than other similar comparables in this record, thus, making this comparable an outlier. The Board gives less weight to the appellant’s comparable #4 which lacks a garage, a feature of the subject. The Board also gives less weight to board of review comparables #1, #2 and #3 which differ substantially from the subject in age and/or dwelling size.

The Board finds the best evidence of assessment equity to be the appellant’s comparables #2 and #3 as well as board of review comparable #4 which are more similar to the subject in design/class, age, dwelling size, and most features. These comparables have improvement assessments ranging from \$85,956 to \$101,200 or from \$39.00 to \$46.85 per square foot of living area. The subject's improvement assessment of \$97,101 or \$45.63 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
