

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cliff Greifer  
DOCKET NO.: 22-31822.001-R-1  
PARCEL NO.: 02-18-210-019-0000

The parties of record before the Property Tax Appeal Board are Cliff Greifer, the appellant, by Andreas Mamalakis, attorney-at-law of the Law Offices of Andreas Mamalakis in Kenosha, Wisconsin, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,715  
**IMPR.:** \$47,455  
**TOTAL:** \$60,170

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.<sup>1</sup>

**Findings of Fact**

The subject property is improved with a 1.5-story dwelling of masonry exterior construction containing 3,552 square feet of living area. The dwelling is approximately 38 years old. Features of the property include a full basement with a formal recreation room, central air conditioning, one fireplace, 3½ bathrooms, and a 3-car garage. The property has a 42,384 square foot site located in Inverness, Palatine Township, Cook County. The subject is classified as a class 2-04-property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity regarding the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on five equity comparables composed of class 2-04 properties improved with one-story dwellings of masonry

exterior construction that range in size from 2,936 to 3,463 square feet of living area. The homes range in age from 39 to 47 years old. Each property has a full basement, one fireplace, and a 2-car, 2.5-car or 3-car garage. The comparables have two, three or four full bathrooms and four comparables have an additional one or two half bathrooms. Four of the comparables have central air conditioning. These properties have the same assessment neighborhood code as the subject property and are located from .27 to .57 of a mile from the subject property. Their improvement assessments range from \$34,874 to \$41,455 or from \$11.39 to \$11.97 per square foot of living area. The appellant requested the subject's improvement assessment be reduced to \$41,843.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$60,170. The subject property has an improvement assessment of \$47,455 or \$13.36 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables consisting of class 2-04 properties improved with 1-story or 1.5-story dwellings of masonry or frame exterior construction that range in size from 3,361 to 3,641 square feet of living area. The dwellings range in age from 34 to 43 years old. Each property has a full basement with three having finished area, central air conditioning, one or two fireplaces, 2½ or 3½ bathrooms, and a 3-car or 3.5-car garage. The board of review also indicated the subject property and comparables #1, #2 and #3 have other improvements but provided no further descriptive information. The comparables have the same assessment neighborhood code as the subject and are located in the same block or ¼ of a mile from the subject property. Comparables #2 and #4 are located along the same street as the subject property. These properties have improvement assessments ranging from \$41,988 to \$54,736 or from \$12.00 to \$15.03 per square foot of living area. The board of review asserted the average building assessed value per square foot for the comparables of \$13.74 is higher than the subject's assessment, which supports the 2022 assessed value as equitable.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review comparables that are more similar to the subject property in location and/or dwelling size than are the comparables submitted by the appellant. The board of review comparables are also relatively similar to the subject property in age and features. The board of review comparables have improvement assessments that range from \$41,988 to \$54,736 or from \$12.00 to \$15.03 per square foot of living area. The subject's improvement assessment of \$47,455 or \$13.36 per square foot of living area falls within the range established by the best comparables in this record demonstrating the subject is being equitably assessed. Based on this record the Board finds the

appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
