

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kaushal Shah
DOCKET NO.: 22-32829.001-R-1
PARCEL NO.: 02-07-303-002-0000

The parties of record before the Property Tax Appeal Board are Kaushal Shah, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,250
IMPR.: \$51,774
TOTAL: \$67,024

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 2-story dwelling of masonry exterior construction with 4,292 square feet of living area. The dwelling is approximately 35 years old. Features include a full basement with finished area, central air conditioning, two fireplaces, and a 3-car garage. The property has a 50,835 square foot site and is located in Inverness, Palatine Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-08 dwellings of masonry exterior construction ranging in size from 4,271 to 4,584 square feet of living area. The homes range in age from 24 to 43 years old.

Each property has a full or partial basement, central air conditioning, one fireplace, and a 3-car or a 3.5-car garage. The comparables have improvement assessments ranging from \$43,500 to \$50,069 or from \$9.49 to \$10.98 per square foot of living area. The appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$67,024. The subject property has an improvement assessment of \$51,774 or \$12.06 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted four grid analyses with information for sixteen equity comparables located within the subject's assessment neighborhood. For clarity in the record, the twelve comparables on the three additional grids were renumbered as #5 through #16. The comparables are improved with 2-story, class 2-08 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 3,907 to 4,982 square feet of living area. The homes range in age from 16 to 46 years old. Fifteen properties each have a full or partial basement, eight of which have finished area, and one comparable has a slab foundation. Each comparable has central air conditioning and from a 2-car to a 3.5-car garage. Fifteen comparables each have from one to four fireplaces. Comparables #2, #6, #9, #10, #12, and #13 were reported to have other improvements; however, additional details were not disclosed. The comparables have improvement assessments ranging from \$50,592 to \$76,422 or from \$12.06 to \$16.64 per square foot of living area. The board of review asserted the subject has a 2019 mortgage for \$609,050, which exceeds the appellant's requested reduced assessment. Based on the evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted twenty-one equity comparables for the Board's consideration. The Board gives less weight to the board of review comparables #1, #3, #8, and #14 due to differences when compared to the subject in age, dwelling size, and/or foundation type.

The Board finds the best evidence of assessment equity to be the appellant's comparables and the twelve remaining board of review comparables which are similar to the subject in location, age, dwelling size, and other features. The best comparables have improvement assessments ranging from \$43,500 to \$61,162 or from \$9.49 to \$14.20 per square foot of living area. The subject's improvement assessment of \$51,774 or \$12.06 per square foot of living area falls within the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
