

## FINAL ADMINISTRATIVE DECISION ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Robert Poynter  
DOCKET NO.: 22-32842.001-R-1  
PARCEL NO.: 02-19-421-017-0000

The parties of record before the Property Tax Appeal Board are Robert Poynter, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>LAND:</b>	\$8,316
<b>IMPR.:</b>	\$24,684
<b>TOTAL:</b>	\$33,000

Subject only to the State multiplier as applicable.

### **Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

### **Findings of Fact**

The subject property consists of a 1-story dwelling of frame and masonry exterior construction with 1,578 square feet of living area. The dwelling is approximately 53 years old. Features include a crawl space foundation, central air conditioning, and 2.5-car garage. The property has a 9,240 square foot site and is located in Hoffman Estates, Palatine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the same assessment neighborhood as the subject. The comparables are improved with 1-story, class 2-03 dwellings of frame and masonry exterior construction ranging in size from 1,546 to 1,591 square feet of living area. The homes are either 44 or 52

years old. Two comparables each have a partial basement and three comparables each have a crawl space foundation. Three comparables each have central air conditioning. Each comparable has one or two fireplaces and a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$18,122 to \$24,374 or from \$11.72 to \$15.32 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,000. The subject property has an improvement assessment of \$24,684 or \$15.64 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables located within the same assessment neighborhood as the subject. The comparables are improved with 1-story, class 2-03 dwellings of frame and masonry exterior construction ranging in size from 1,224 to 1,578 square feet of living area. The homes are either 52 or 53 years old. One comparable has a full basement, one comparable has a slab foundation, and one comparable has a crawl space foundation. Each comparable has central air conditioning and a 2-car garage. Two comparables each have one fireplace. The comparables have improvement assessments of either \$25,432 or \$25,684 or from \$16.28 to \$20.98 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains eight suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #5 as well as board of review comparable #3 which feature basement foundations, unlike the subject. Further, board of review #3 is a substantially smaller home than the subject.

The Board finds the best evidence of assessment equity to be the parties' five remaining comparables which are identical or nearly identical to the subject in design/class, age, and dwelling size with varying degrees of similarity to the subject in other features. The comparables have improvement assessments ranging from \$18,500 to \$25,684 or from \$11.72 to \$16.42 per square foot of living area. The subject's improvement assessment of \$24,684 or \$15.64 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
