

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Clark III
DOCKET NO.: 22-33695.001-R-1
PARCEL NO.: 14-20-319-014-0000

The parties of record before the Property Tax Appeal Board are John Clark III, the appellant(s), by attorney Daniel G. Pikarski, of Gordon & Pikarski in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$47,625
IMPR.: \$93,375
TOTAL: \$141,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling frame construction containing 3,210 square feet of living area. Features of the dwelling include a full finished basement, five and one-half baths, and a two-car garage. The dwelling was constructed in 2015. The property has a 3,175 square foot site and is located in Chicago, Lake View Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$1,410,000 as of January 1, 2022. The appellant requested a reduction in the subject's assessment to \$141,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$215,811. The subject's assessment reflects a market value of \$2,158,110 when using the 10% level of assessment for class 2-78 properties as determined by the Cook County Real Property Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted three sale comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value of \$2,158,110 which is above the best evidence of market value in the record. The Board finds the subject property had a market value of \$1,410,000 as of the assessment date at issue. Since market value has been established, the 10% level of assessment as determined by the Cook County Real Property Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
