

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Gene Salecker
DOCKET NO.: 22-33729.001-R-1
PARCEL NO.: 12-26-417-038-0000

The parties of record before the Property Tax Appeal Board are Gene Salecker, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,189
IMPR.: \$20,810
TOTAL: \$24,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of masonry exterior construction with 1,421 square feet of living area. The dwelling is 93 years old. Features of the home include a basement and 1 bathroom. The property has a 3,990 square foot site located in River Grove, Leyden Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five comparables located within the subject's assessment neighborhood and within 0.85 of a mile from the subject property. The comparables consist of class 2-03, 1-story or 1.5-story dwellings of masonry exterior construction ranging in size 1,260 to 1,666 square feet of living area. The dwellings are from 88 to 102 years old. Three comparables each have a slab foundation, and two comparables

each have a basement. One comparable has central air conditioning, and each comparable has either 1, 1½ or 2 bathrooms, 1 or 2 fireplaces, and a 1-car, a 2-car or a 4-car garage. The comparables have improvement assessments ranging from \$16,125 to \$19,438 or from \$10.49 to \$12.80 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject property of \$24,999. The subject property has an improvement assessment of \$20,810 or \$14.64 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject's assessment neighborhood and within the subject's block or approximately ¼ of a mile from the subject property. The comparables consist of class 2-03, 1.5-story dwellings of masonry exterior construction ranging in size from 1,325 to 1,490 square feet of living area. The dwellings are from 90 to 96 years old. Each comparable has a basement, and either 1, 1½ or 2 bathrooms. Three comparables each have central air conditioning and either a 1-car or a 2-car garage. Two comparables each have a fireplace. The comparables have improvement assessments ranging from \$21,810 to \$25,112 or from \$15.58 to \$17.22 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable properties for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #3 and #5 and the board of review's comparables #2, #3 and #4 due to differences from the subject in design, dwelling size, foundation type and/or presence of a central air conditioning amenity, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be the appellant's comparable #4 and the board of review's comparable #1. These comparables overall are most similar to the subject in location, design, age, dwelling size, bathroom count, and foundation type, but require adjustments for differences in other features, such the appellant's comparable #4's garage amenity, which is not a feature of the subject. These two comparables have improvement assessments of \$19,125 and \$21,810 or \$11.96 and \$15.58 per square foot of living area, respectively. The subject's improvement assessment of \$20,810 or \$14.64 per square foot of living area is bracketed by the two best comparables in the record. After considering adjustments to the two best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
