

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Antonio Donile
DOCKET NO.: 22-34262.001-R-1
PARCEL NO.: 02-16-303-047-1081

The parties of record before the Property Tax Appeal Board are Antonio Donile, the appellant, by Mary Kate Gorman, Attorney at Law in Tinley Park; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,593
IMPR.: \$38,407
TOTAL: \$42,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a residential condominium unit that is located in a condominium building of brick exterior construction that contains 123 units. The condominium building is approximately 28 years old. The subject unit contains 2,766 square feet of living area and features a finished basement, 2.5 baths, one fireplace, central air conditioning and a 1-car garage. The subject unit has a .8406% interest in the common elements of the condominium property. The property has a 2,227,018 square foot site and is located in Inverness, Palatine Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on February 16, 2021, for a price of \$420,000. The appellant completed Section IV – Recent Sale Data of the appeal indicating the parties to the transaction were not related. The appellant further indicated the

property was sold through a realtor and was advertised in the Multiple Listing Service (MLS) for a period of 17 days. To document the transaction the appellant submitted a copy of the Settlement Statement which disclosed real estate commissions were paid to two entities.

Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$46,160. The subject's assessment reflects a market value of \$461,600 or \$166.88 per square foot of living area, including land, when using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment the board of review submitted a sales analysis prepared by Lilybeth Kafka, an analyst with the Cook County Board of Review. The analyst provided sales data on 25 residential units that sold in the subject's condominium property, one of which was the subject unit. The sales occurred from November 2006 to August 2022 for prices ranging from \$341,500 to \$685,000 with a total consideration of \$11,964,501. No adjustment factor was applied. The board of review analysis indicated these 25 units had a total ownership interest in the condominium property of 19.9683%. The total adjusted consideration was then divided by the total percentage of interest of ownership in the condominium property for the units that sold to arrive at an indicated full value for the property of \$59,917,474. By applying the percentage of interest of ownership for the unit under appeal of .8406% indicates a full value of \$503,666 and an assessment of \$50,367, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2021 for a price of \$420,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, the property had been advertised on the open market with the Multiple Listing Service, and it had been on the market for 17 days. In further support of the transaction the appellant submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction. The Board gives less weight to the board of review's sales analysis which included sales in 2006 and 2019 which are

less likely to be reflective of the market value as of the January 1, 2022, assessment date. Based on this record the Board finds the subject property had a market value of \$420,000 as of January 1, 2022. Since market value has been determined, the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
