

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Donald Abrams
DOCKET NO.: 22-34317.001-R-1
PARCEL NO.: 13-13-231-004-0000

The parties of record before the Property Tax Appeal Board are Donald Abrams, the appellant, by attorney Robert Rosenfeld of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,000
IMPR.: \$58,310
TOTAL: \$67,310

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story multi-family building of masonry exterior construction with 2,768 square feet of building area. The building is approximately 99 years old. Features of the building include a full unfinished basement and a two-car garage. The property has a 3,750 square foot site and is located in Chicago, Jefferson Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located within .5 of a mile from the subject property. The comparables are class 2-11 properties that are improved with two-story multi-family buildings of masonry exterior construction ranging in size

from 2,640 to 2,736 square feet of building area. The buildings are from 106 to 112 years old. The comparables each have a full basement, two with finished area and a two-car garage. The comparables have improvement assessments that range from \$51,480 to \$53,078 or from \$19.40 to \$19.50 per square foot of building area.

Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$53,865 or \$19.46 per square foot of building area.

The appellant provided a copy of the final decision issued by the Cook County Board of Review disclosing the subject has a total assessment of \$67,310. The appellant reported in the appeal petition the subject had an improvement assessment of \$58,310 or \$21.07 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal." In support of its contention of the correct assessment the board of review submitted information on four equity comparables that have the same assessment neighborhood code as the subject and are located in the sale block as the subject property. The comparables are class 2-11 properties that are improved with two-story multi-family buildings of masonry exterior construction ranging in size from 2,544 to 2,760 square feet of building area. The buildings are from 109 to 113 years old. The comparables each have a full basement, one of which has finished area. Comparable #2 has central air conditioning, comparable #3 has a fireplace and each comparable has a two-car garage. The comparables have improvement assessments ranging from \$60,104 to \$67,000 or from \$21.78 to \$24.56 per square foot of building area.

Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable properties for the Board's consideration. The Board has given less weight to the appellant's comparables #1 and #3, as well as board of review comparable #2, which have basement finish and/or central air conditioning, neither of which are features of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #2 and #4, along with board of review comparables #1, #3 and #4, which are similar to the subject in location, building size, age and most features. These seven comparables have improvement assessments ranging from \$51,909 to \$67,000 or from \$19.46 to \$24.56 per square foot of building area. The subject's improvement assessment of \$58,310 or \$21.07 per square foot of

building area falls within the range established by the best comparables in the record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
