

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Kokorelis
DOCKET NO.: 22-34638.001-R-1
PARCEL NO.: 13-36-406-048-0000

The parties of record before the Property Tax Appeal Board are Scott Kokorelis, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,062
IMPR.: \$93,336
TOTAL: \$107,398

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry construction with 2,624 square feet of living area which is approximately 2 years old. Features of the home include 4½ baths, a full basement finished with a formal recreation room, central air conditioning, 1 fireplace, and a 2-car garage. The property has a 3,125 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-78 property¹ under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located in the same assessment neighborhood code as the subject property. The comparables consist of 2-story, class 2-78 dwellings of frame, masonry, or stucco exterior

¹ Two-or-more story residence, up to 62 years of age, containing from 2,001 to 3,800 square feet of living area.

construction ranging in size from 2,508 to 2,726 square feet of living area and ranging in age from approximately 10 to 19 years old. The comparables are described as each having from 2 to 4 full bathrooms, a full basement finished with recreation rooms, central air conditioning, 2-car garage. Three comparables have 1 or 2 fireplaces. The comparables have improvement assessments that range from \$58,863 to \$65,124 or from \$23.47 to \$23.90 per square foot of living area. Based on this evidence, the appellant requested a reduction to the subject's improvement assessment.

The board of review submitted its "Board of Review Notes on Appeal." The appellant submitted a copy of the final decision of the Cook County Board of Review disclosing the total assessment for the subject of \$107,398. The subject property has an improvement assessment of \$93,336 or \$35.57 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the same assessment neighborhood code as the subject and within $\frac{1}{4}$ of a mile or within the same (PIN) block as the subject property. The comparables consist of 2-story, class 2-78 dwellings of masonry or frame construction ranging in size from 2,276 to 2,742 square feet of living area and ranging in age from 1 to 4 years old. Each comparable features $3\frac{1}{2}$ or $4\frac{1}{2}$ baths, a full or partial basement finished with a formal recreation room, central air conditioning, and a 2-car garage. Two comparables each have a fireplace. The comparables have improvement assessments ranging from \$99,500 to \$150,000 or from \$37.49 to \$65.91 per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine equity comparables in support of their positions before the Property Tax Appeal Board. The Board gave less weight to appellant's comparables based on their older ages, and board of review comparable #1 based on its smaller dwelling size relative to the subject dwelling. The Board finds the best evidence of assessment equity to be board of review comparables #2, #3, and #4 which are overall most similar to the subject in location, class, dwelling size, age, and features. The best comparables in the record have improvement assessments ranging from \$99,500 to \$110,920 or from \$37.49 to \$42.63 per square foot of living area. The subject's improvement assessment of \$93,336 or \$35.57 per square foot of living area is below the range established by the best equity comparables in this record both in terms of overall improvement assessment and on a price per square foot of living area basis.

After considering adjustments to the best comparables for any differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement is inequitably assessed and, therefore, a reduction in the subject's improvement assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
