

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Scott Pfeifer
DOCKET NO.: 22-34699.001-R-1
PARCEL NO.: 02-06-200-082-0000

The parties of record before the Property Tax Appeal Board are Scott Pfeifer, the appellant, by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$22,914
IMPR.: \$40,085
TOTAL: \$62,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story dwelling of frame exterior construction with 3,763 square feet of living area. The dwelling is approximately 54 years old. Features of the home include a full basement, central air conditioning, one fireplace, and a 2-car garage. The property has a 50,922 square foot site and is located in Barrington, Palatine Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables with the subject's neighborhood code. The comparables are improved with 1-story, class 2-04 dwellings of frame, masonry, or frame and masonry exterior construction ranging in size from 2,388 to 2,690 square feet of living area. The homes range in age from 45 to 74 years old. Each comparables has a full basement with the appellant disclosing in the grid analysis that

the finished basement area is "N/A," central air conditioning, one or two fireplaces, and a 2-car or a 2.5-car garage. The comparables have improvement assessments ranging from \$21,500 to \$25,500 or from \$8.69 to \$9.58 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$34,582.

The board of review submitted its "Board of Review Notes on Appeal." The appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$62,999. The subject has an improvement assessment of \$40,085 or \$10.65 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables with the same neighborhood code as the subject property. The comparables are improved with 1-story or 1.5-story class 2-04 dwellings of masonry or frame and masonry exterior construction ranging in size from 3,361 to 4,017 square feet of living area. The homes range in age from 52 to 64 years old. Each comparable has a full or partial basement, central air conditioning, one or three fireplaces, and a 2-car or a 3-car garage. The comparables have improvement assessments ranging from \$49,549 to \$58,559 or from \$12.33 to \$16.31 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparable #2 which have a dissimilar 1-story design, when compared to the 1.5-story design of the subject, and/or differ substantially from the subject in dwelling size. Further, the appellant's comparables #1 and #4 are substantially older homes than the subject.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #3, and #4 which are more similar to the subject in design/class, age, dwelling size, and other features. These comparables have improvement assessments ranging from \$49,549 to \$58,559 or from \$12.33 to \$16.31 per square foot of living area. The subject's improvement assessment of \$40,085 or \$10.65 per square foot of living area falls below the range established by the best comparables in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
