

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lana Rudolph
DOCKET NO.: 22-35075.001-R-1
PARCEL NO.: 02-26-305-050-0000

The parties of record before the Property Tax Appeal Board are Lana Rudolph, the appellant, by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,544
IMPR.: \$43,006
TOTAL: \$48,550

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and masonry exterior construction with 3,505 square feet of living area. The home is approximately 39 years old. Features include a full basement, three full bathrooms, one half bathroom, central air conditioning, one fireplace, and a 2-car garage. The property has a 10,080 square foot site and is located in Rolling Meadows, Palatine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood code and located from 7 feet to 1.1 miles from the subject property. The comparables are improved with 2-story, class 2-78 dwellings of frame or frame and masonry exterior construction ranging in size from 3,006 to 3,423 square feet of living area. The homes range in age from 34 to 38 years old. Each

comparable has a full basement, two or three full bathrooms with three of these also having an additional half bathroom, central air conditioning, one fireplace, and a 2-car garage. The comparables have improvement assessments ranging from \$36,326 to \$42,588 or from \$11.74 to \$12.84 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$43,006 or 12.27 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$53,934. The subject property has an improvement assessment of \$48,390 or \$13.81 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood code and ¼ mile from the subject property. The comparables are improved with 2-story, class 2-78 dwellings of stucco or frame and masonry exterior construction ranging in size from 3,420 to 3,699 square feet of living area. The homes are either 24 or 27 years old. Each comparable has a full basement, two full bathrooms, one or two half bathrooms, central air conditioning, one fireplace, and a 2-car garage. The comparables have improvement assessments ranging from \$49,488 to \$56,849 or from \$14.47 to \$15.81 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #1 which is located 1.1 miles from the subject, less proximate than the other comparables in this record. The Board also gives less weight to the appellant's comparable #2 as well as board of review comparables which differ substantially from the subject in age or dwelling size.

The Board finds the best evidence of assessment equity to be the appellant's comparables #3 and #4 which are overall most similar to the subject in location, design/class, age, dwelling, and other features. The two best comparables have improvement assessments of \$41,748 and \$42,588 or \$12.44 and \$12.84 per square foot of living area. The subject's improvement assessment of \$48,390 or \$13.81 per square foot of living area falls above the two best comparables in this record and is excessive. After considering the adjustments to the two best comparables for differences when compared to the subject, the Board finds the appellant demonstrated that the subject's improvement was inequitably assessed and a reduction in the subject's assessment, commensurate with the appellant's request, is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
