

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ronson Mahla
DOCKET NO.: 22-35360.001-R-1
PARCEL NO.: 02-19-418-032-0000

The parties of record before the Property Tax Appeal Board are Ronson Mahla, the appellant, by attorney Kyle Gordon Kamego, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$17,328
IMPR.: \$20,671
TOTAL: \$37,999

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame exterior construction with 1,470 square feet of living area. The dwelling was built in 1970 and is approximately 52 years old. Features include a partial basement, central air conditioning, one fireplace, and a 2-car garage. The property has a 19,254 square foot site and is located in Hoffman Estates, Palatine Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within the subject's assessment neighborhood code and from 0.4 to 0.9 of a mile from the subject property. The comparables are improved with class 2-34, multi-level dwellings of frame exterior construction ranging in size from 1,392 to 1,804 square feet of living area. The homes are either 51 or 52 years old. Each comparable has a partial basement with the

appellant disclosing in the grid analysis that the finished basement area is “N/A,” central air conditioning, and a 2-car garage. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$17,000 to \$19,611 or from \$10.87 to \$13.27 per square foot of living area. Based on this evidence, the appellant requested that the subject’s improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal." The appellant’s submission included a copy of the “Cook County Board of Review” final decision for the 2022 tax year disclosing the subject has a total assessment of \$37,999. The subject has an improvement assessment of \$20,671 or \$14.06 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four comparables located within the subject’s assessment neighborhood code. The comparables are located either on the subject’s block and along the same street or ¼ mile from the subject. The comparables are improved with class 2-34, multi-level dwellings of frame or frame and masonry exterior construction with each having 1,470 square feet of living area. The homes are either 50 or 52 years old. Each comparable has a partial basement, one fireplace, and a 2-car garage. Three comparables each have central air conditioning. The comparables have improvement assessments ranging from \$28,342 to \$30,630 or from \$19.28 to \$20.84 per square foot of living area. Based on this evidence, the board of review requested that the subject’s assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested equity comparables for the Board’s consideration. The Board gives less weight to the appellant’s comparables which are located less proximate to the subject than the other comparables in this record and/or differ substantially from the subject in dwelling size.

The Board finds the best evidence of assessment equity to be the board of review comparables which are located most proximate to the subject and are identical or nearly identical to the subject in design/class, age, and dwelling size with varying degrees of similarity in other features. The best comparables have improvement assessments ranging from \$28,342 to \$30,630 or from \$19.28 to \$20.84 per square foot of living area. The subject's improvement assessment of \$20,671 or \$14.06 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
