

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Allan Freiman  
DOCKET NO.: 22-35622.001-R-1  
PARCEL NO.: 02-14-413-007-0000

The parties of record before the Property Tax Appeal Board are Allan Freiman, the appellant, by attorney Dora Cornelio, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,035  
**IMPR.:** \$27,964  
**TOTAL:** \$34,999

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of frame exterior construction with 2,224 square feet of living area. The dwelling is approximately 95 years old. Features of the home include a full basement and a 2-car garage. The property has an 11,726 square foot site and is located in Palatine, Palatine Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment neighborhood. However, the Board finds comparable #2 is the same property as comparable #1, as they have the same physical address and property characteristics. Comparable #2 appears to be the second parcel for this property and will not be further analyzed in this decision. The four comparables are improved with 1-

story or 1.5-story, class 2-04 dwellings of frame or frame and masonry exterior construction ranging in size from 2,082 to 2,401 square feet of living area. The homes range in age from 66 to 71 years old. Each comparable has a full basement, central air conditioning, one or two fireplaces, and from a 1.5-car to a 3-car garage. The comparables have improvement assessments ranging from \$16,556 to \$22,981 or from \$7.95 to \$9.57 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" depicting a final assessment of \$35,000. However, the appellant's submission included a copy of the "Cook County Board of Review" final decision for the 2022 tax year disclosing the subject has a total assessment of \$34,999. The subject has an improvement assessment of \$27,964 or \$12.57 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 1.5-story, class 2-04 dwellings of frame, stucco, or frame and masonry exterior construction ranging in size from 1,827 to 2,070 square feet of living area. The homes range in age from 96 to 101 years old. Each comparable has a full basement and a 1-car or a 2-car garage. Three comparables each have central air conditioning. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$29,737 to \$33,105 or from \$15.14 to \$17.12 per square foot of living area. Based on this evidence, the board of review requested the assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and board of review comparable #2 which are less similar to the subject in age or dwelling size than the other comparables in this record.

The Board finds the best evidence of assessment equity to be board of review comparables #1, #3, and #4 which are overall most similar to the subject in design/class, age, and dwelling size with varying degrees of similarity in other features. The best comparables have improvement assessments ranging from \$29,737 to \$33,105 or from \$15.14 to \$17.12 per square foot of living area. The subject's improvement assessment of \$27,964 or \$12.57 per square foot of living area falls below the range established by the best comparables in this record. After considering adjustments to the best comparables for differences when compared to the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
