

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Karen Pinkert-Lieb
DOCKET NO.: 22-36032.001-R-1
PARCEL NO.: 14-29-307-003-0000

The parties of record before the Property Tax Appeal Board are Karen Pinkert-Lieb, the appellant(s), by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$44,640
IMPR.: \$52,210
TOTAL: \$96,850

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160), challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, 130-year-old, single-family dwelling of frame construction with 3,185 square feet of living area. Features of the home include central heating, a full basement, and a two-car garage. The property has a 2,976-square-foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant made a contention of law argument requesting the 2021 assessment to be carried forward to the subsequent tax year 2022 per Section 16-185 of the Property Tax Code, subject only to equalization. The decision of the Property Tax Appeal Board for the 2021 tax year should be carried forward to the 2022 tax year pursuant to section 16-185 of the Property Tax Code. (35 ILCS 200/16-185). The appellant disclosed that the subject property is an owner-occupied residence that was the subject matter of an appeal before the Property Tax Appeal Board the

prior year under Docket Number 2021-45552.001-R-1. In that appeal, the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$968,500 based on an overvaluation argument. The appellant's cover letter asserts that the subject is owner-occupied. The appellant's petition section 1b has the box for "Yes" checked when answering if the subject is owner-occupied.

The board of review submitted its "Board of Review Notes on Appeal," disclosing the total assessment for the subject of \$109,487. The subject property has an improvement assessment of \$64,847 or \$20.36 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables. These properties are described as two-story dwellings of frame construction. They range: in age from 123 to 133 years old; in size from 2,625 to 3,548 square feet of living area; and in improvement assessment from \$29.50 to \$32.00 per square foot of living area.

Conclusion of Law

The decision should be applied forward to the 2022 assessment year based on section 16-185 of the Property Tax Code (35 ILCS 200/16-185), which states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2021 tax year. The 2021 and 2022 assessment years are within the same general assessment period. The record contains no evidence indicating the subject property was sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The appellant's petition discloses that the subject is owner-occupied. For these reasons, the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
