

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Benson Brooke
DOCKET NO.: 22-36396.001-R-1 through 22-36396.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Benson Brooke, the appellant(s), by attorney Nicholas T. McIntyre, of Much Shelist, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
22-36396.001-R-1	17-17-211-051-1021	1,268	20,557	\$21,825
22-36396.002-R-1	17-17-211-051-1364	98	577	\$675

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a condominium unit in a five-story condominium building of masonry construction with 1,000 square feet of living area. The dwelling was constructed in 1976. Features of the home include a slab foundation, central air conditioning, and a one-car garage. The property has a 121,127 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on the sale of the subject property on December 4, 2019, for \$225,000. This information included the master settlement statement and the information in Section IV – Recent Sale Data of the Residential Appeal Form which related that the subject was not transferred between family members, that it was sold using a realtor, that the property was

listed for sale on the Multiple Listing Service and it was not sold due to foreclosure or using a contract for deed. Appellant disclosed that this is an owner-occupied residence. Based on this evidence the appellant is seeking to have the assessment reduced on the subject property to reflect market value as established by the recent sale.

Furthermore, the subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 2021-33978.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the total assessment of the subject property to \$21,825 based on the evidence submitted by the parties. The tax years 2021 and 2022 are within the same general assessment period and the appellant disclosed that the subject property is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,854. This reflects a market value of \$318,540 or \$318.54 per square foot of living area, land included, when applying the 10% level of assessment according to the Cook County Real Property Classification Ordinance. The board of review submitted a condominium analysis based on the sale of condominiums in the subject property's complex which represent a 42.19% ownership interest in the complex. The total consideration from these sales was \$42,248,224 which reflected a full market value of the entire complex of \$100,135,631 and a market value of the subject property of \$332,450. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code provides, in relevant part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

35 ILCS 200/16 -185

Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10 15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2021 and the instant tax year of 2022 are in the same general assessment period for West Chicago Township. The Board further finds that the subject is owner occupied based on the appellant's response to Section 1b of the residential

appeal form, which states that the subject is owner occupied. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's decision for the 2021 tax year, or that the Board's decision for the 2021 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence that the subject's assessment should be carried forward to the 2022 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2021 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
