

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Thomas & Irene Herzau
DOCKET NO.: 22-36596.001-R-1
PARCEL NO.: 02-30-204-003-0000

The parties of record before the Property Tax Appeal Board are Thomas & Irene Herzau, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,300
IMPR.: \$ 0
TOTAL: \$23,300

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 77,972 square foot vacant lot. The property is located in Palatine Township, Cook County. The property is a class 1 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal prepared by Edward Iacconi (Iacconi) estimating the subject property had a market value of \$233,000 as of January 1, 2022. The appellant also submitted information that the subject sold on June 3, 2017 for price of \$206,000. In addition, the appellant submitted information on four suggested sales comparables.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$48,754. The subject's assessment reflects a market value of

\$487,540 when applying the 2022 level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

At hearing, the appellant reiterated his market value arguments. The appellant also argued that 60% of the subject property is unbuildable because it contains wetlands. Upon questioning, Iaconi testified that he selected similar comparables to the subject that are adjacent to water and similar in size and market conditions. The board of review rested on the evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$233,000 as of the assessment date at issue. Since market value has been established the 2022 level of assessment for class 1 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
