

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie Ekman
DOCKET NO.: 22-36698.001-R-1
PARCEL NO.: 14-31-121-008-0000

The parties of record before the Property Tax Appeal Board are Julie Ekman, the appellant(s), by attorney Stephanie Park, of Park & Longstreet, P.C. in Inverness; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,800
IMPR.: \$48,200
TOTAL: \$65,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Property Tax Appeal Board pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1.5-story, single-family dwelling of masonry construction with 1,505 square feet of living area. Features of the dwelling include two baths, a full finished basement, and a two-car garage. The dwelling was approximately 131 years old and is located in West Chicago Township, Cook County. The property is a class 2-03 per the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation and assessment equity as the basis of the appeal. In support of the argument of overvaluation, the appellant submitted an appraisal. The petition discloses the subject is an owner-occupied residence.

This property was also the subject of an appeal with the Property Tax Appeal Board for the 2021 tax year under Docket Numbers 2021-33465.001-R-1. In that appeal the Property Tax Appeal

Board issued a decision lowering the assessment of the subject property to \$65,000 based on an appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$69,521 which reflects a market value of \$695,210 using the Cook County Real Estate Classification Ordinance level of assessment for class two property of 10%. In support of the current assessment, the board of review submitted data on four sales comparables.

Conclusion of Law

The appellant contends overvaluation of the subject property in the assessment process. However, the subject had a previous decision. The Property Tax Appeal Board finds that the assessment as established by the Board for the 2021 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.
35 ILCS 200/16 -185.

Additionally, "Standard of proof. Unless otherwise provided by law or stated in the agency's rules, the standard of proof in any contested case hearing conducted under this Act by an agency shall be the preponderance of the evidence." 5 ILCS 100/10 15. The Board takes official notice that it rendered a decision lowering the subject's assessment for tax year 2021 (86 Ill.Admin.Code §1910.90(i)), and that tax year 2021 and the instant tax year of 2022 are in the same general assessment period for West Chicago Township. The Board further finds that the subject is owner occupied based on the appellant's response to Section 1b of the residential appeal form, which states that the subject is owner occupied. The record contains no evidence indicating that the subject sold in an arm's length transaction subsequent to the Board's decision for the 2021 tax year, or that the Board's decision for the 2021 tax year was reversed or modified upon review. For these reasons, the Board finds by a preponderance of the evidence that the subject's assessment should be carried forward to the 2022 tax year, pursuant to section 16-185 of the Property Tax Code, to reflect the Board's decision for the 2021 tax year, plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
