

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth Fils  
DOCKET NO.: 22-36750.001-R-1  
PARCEL NO.: 14-29-416-054-0000

The parties of record before the Property Tax Appeal Board are Kenneth Fils, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$46,875  
**IMPR.:** \$48,674  
**TOTAL:** \$95,549

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 2,977 square feet of living area. The dwelling is approximately 163 years old. Features of the home include a crawl space foundation, central air conditioning and a 2-car garage. The property has an approximately 3,125 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same assessment neighborhood code as the subject property. The comparables have varying degrees of similarity to the subject. The comparables have improvement assessments ranging from \$39,875 to \$43,625 or from \$14.17 to \$15.44 per square

foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$43,881 or \$14.74 per square foot of living area.

The appellant disclosed the subject property is an owner-occupied residence. The Board takes judicial notice the subject property was the subject matter of an appeal before this Board the prior tax year under Docket No. 21-31742 in which the Board issued a decision lowering the subject's total assessment to \$95,549 based on evidence presented by the parties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$100,475. The "Board of Review Notes on Appeal," also disclosed that 2021 was the first year of the general assessment cycle for the subject property and that for tax year 2022 no equalization factor was applied in Lake View Township.

The subject property has an improvement assessment of \$53,600 or \$18.00 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on three equity comparables located in the same assessment neighborhood code as the subject property which have varying degrees of similarity to the subject. The comparables have improvement assessments of \$62,590 to \$108,422 or from \$25.33 to \$34.84 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds, pursuant to section 16-185 of the Property Tax Code (35 ILCS 200/16-185), a reduction in the subject's assessment is warranted. Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board also finds the subject property was the matter of appeals before this Board for the prior tax year under Docket No. 21-31742, wherein the Board lowered the subject's total assessment to \$95,549. The record further disclosed the subject property is an

owner-occupied residence and that the 2021 and 2022 tax years are within the same general assessment period. The Board takes notice that no equalization factor was issued in Lake View Township for the 2022 tax year. Furthermore, the record contains no evidence the Board's prior 2021 decision has not yet been reversed or modified upon review and there was no evidence the subject property sold in an arm's length transaction establishing a different fair cash value. Therefore, the Board finds a reduction in the subject's assessment, pursuant to section 16-185 of the Property Tax Code, is warranted. (35 ILCS 200/16-185)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
