

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Fausto Natali
DOCKET NO.: 22-38177.001-R-1
PARCEL NO.: 14-30-409-019-0000

The parties of record before the Property Tax Appeal Board are Fausto Natali, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$30,000
IMPR.: \$0
TOTAL: \$30,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,350 square foot vacant parcel of land under common ownership with an adjacent residence. The property is located in Chicago, Lakeview Township, Cook County and is classified as a class 2-41 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the market value argument, the appellant submitted data on four three comparables listed on the petition's grid. These comparables are vacant lots ranging in size from 2,325 to 3,125 square feet. They sold from December 2019 to May 2022 for prices ranging from \$190,000 to \$225,000 or from \$65.00 to \$81.72 per square foot. In the additional evidence, the appellant submitted an additional comparable containing 3,049 square feet and sold in October 2019 for \$275,000 or \$90.19 per square foot. The appellant included Zillow printouts of these sales. The petition discloses that the subject is not an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$41,875 which reflects a market value of \$418,750 or \$125.00 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The board of review did not submit any other evidence.

This matter was set for hearing on July 17 along with 22 other properties own by the appellant and were consolidated for hearing purposes only. The appellant, Mr. Natali, argued that the subject property should be treated the same as the other comparables. He argued that the other taxpayers are paying less for comparable properties. The board of review representative rested on the evidence previously submitted.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appellant's comparables. These comparables sold from October 2019 to May 2022 for prices ranging from \$65.00 to \$90.19 per square foot. In comparison, the subject's assessment reflects a market value of \$125.00 per square foot which is above the range of these comparables. After making adjustments to the comparables for the subject's pertinent characteristics the Board finds the subject's market value based on the current assessment is not supported. Therefore, the Board finds the appellant has proven by a preponderance of the evidence that the subject was overvalued, and a reduction is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
