

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lisa Falconer  
DOCKET NO.: 22-38559.001-R-1  
PARCEL NO.: 09-35-117-022-0000

The parties of record before the Property Tax Appeal Board are Lisa Falconer, the appellant, by attorney Andreas Mamalakis, of the Law Offices of Andreas Mamalakis in Kenosha; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,540  
**IMPR.:** \$52,740  
**TOTAL:** \$63,280

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2022 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 2,728 square feet of living area. The home is approximately 97 years old. Features include a full basement, central air conditioning, one fireplace, and a 2-car garage. The property has a 6,200 square foot site and is located in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on five equity comparables located within the subject's assessment. The comparables are improved with 2-story, class 2-06 dwellings of frame exterior construction ranging in size from 2,268 to 3,163 square feet of living area. The homes range in age from 78 to 109 years old. Each comparable has a full or

partial basement, central air conditioning, one or two fireplaces, and from a 1-car to a 3-car garage. The comparables have improvement assessments ranging from \$36,955 to \$52,380 or from \$14.86 to \$16.56 per square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$63,280. The subject property has an improvement assessment of \$52,740 or \$19.33 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located within the subject's assessment neighborhood. The comparables are improved with 2-story, class 2-06 dwellings of frame or frame and masonry exterior construction ranging in size from 2,531 to 2,840 square feet of living area. The homes range in age from 79 to 98 years old. Each comparable has a full or partial basement, central air conditioning, and a 2-car or a 2.5-car garage. Three comparables each have one fireplace. The comparables have improvement assessments ranging from \$50,190 to \$60,270 or from \$19.34 to \$21.22 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine suggested equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables #4 and #5 as well as board of review comparables #1 and #3 which are less similar to the subject in age and/or dwelling size than other comparables in this record.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, and #3 as well as board of review comparables #2 and #4 which are overall most similar to the subject in location, design/class, age, and dwelling size with varying degrees of similarity in other features. The best comparables have improvement assessments ranging from \$38,288 to \$52,690 or from \$14.86 to \$19.83 per square foot of living area. The subject's improvement assessment of \$52,740 or \$19.33 per square foot of living area falls slightly above the range established by the best comparables in this record on an overall improvement assessment and within the range on a per square foot basis. After considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate by clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity, which exists on the basis of the evidence in this record.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
